WELCOME TO HIREBASE

Hirebase is your local hire service for all your plant, tool & equipment hire needs. We're a genuine one-stop shop, providing a professional service, expert advice and competitive pricing in 93 Buildbase and PDM Buildbase branches.

As members of The Hire Association Europe (HAE) we work hard to keep the highest standards. Our teams are fully trained and on hand to help with any hire application, and thanks to our dedicated fleet of delivery vehicles, we promise to get everything to you on time, every time.

SAFETY

Your safety is of upmost importance to us and we ensure all our equipment is thoroughly tested and checked before each hire. Our workshops are regularly inspected to guarantee the highest operating standards and our hire teams attend courses and training to keep them up to date on the latest techniques.

If you can't find the equipment you need, speak to your local Hirebase team and we'll be happy to help.

COMPETITIVE PRICING

Hirebase has a standard national pricing policy but operates local flexibility to ensure we maintain our renowned competitive position.

OUR PRODUCTS

We work closely with our suppliers to ensure we have the latest branded products available for hire and are constantly investing in new equipment to keep our fleet up to date. We also work with our hire partners to bring you the widest range of hire equipment to suit any application. This colour coded guide will help you locate the best tool for the task ahead.

The hire rates shown in the hire guide are exclusive of VAT, which is charged at the current rate.

All the products and pricing are correct at the time of printing. Hirebase reserve the right to alter prices and information at any time and without prior notice. *Terms & conditions apply.

YOUR ACCOUNT & PAYMENTS

TRADE CREDIT ACCOUNT AND SELF BUILDER & HOME IMPROVER ACCOUNT CUSTOMERS

If you are a Trade Credit account customer or a Self Builder & Home Improver account customer, you do not need to pay a deposit. Hire invoices can be raised against your account for all hire requirements.

CASH ACCOUNT CUSTOMERS

Customers not holding a Trade Credit account are required to pay a deposit three times the weekly hire rate. Hire fees and any other charges are deducted from the deposit on return of items hired. For long-term hires, charges are made at 2-weekly intervals and may automatically be made to credit cards.

We require 2 forms of identification such as a driving licence and a recent utility bill both of which must show the name and current address of the person hiring the equipment.

HIREPROTECT insurance is mandatory for customers paying deposits by cash and on some larger items of equipment hire.

BASIS OF CHARGING AND PAYMENT

Hire charges commence from the time shown on the hire contract and continue until hired items are returned to Hirebase or collected by us. All days are charged including Saturdays, Sundays and Bank Holidays. We charge for time out, not time used. Equipment may be provisionally reserved in advance by telephone, email or in writing, together with the payment of a deposit, charged against a credit card, in the case of non-account customers.

HIRE PERIODS

- A "day" is up to 24 consecutive hours.
- "2 Days" is up to 48 consecutive hours
- A "week" is from 3 to 7 consecutive days inclusive.
- A "weekend" period is from anytime after 3.00pm Friday until 10.00am the following Monday.

DELIVERY

We have a fleet of dedicated vehicles to ensure that the equipment arrives on site and on time.

With same day and next day delivery available on selected items, speak to your local Hirebase team to arrange a delivery suitable for you.

- 4x4 Pick-ups provide rapid response delivery of smaller items with the ability of accessing difficult locations.
- 7.5 and 12 ton Beavertail Lorries ensure efficient delivery of plant up to 6 ton whilst a 26 ton Beavertail provides transport up to 13 ton.

SAFETY

All equipment is hired subject to the Hire Association of Europe code of practice.

Printed operating instructions are given with all items hired. We recommend that the appropriate items of personal protective equipment (PPE) and other protective clothing be worn at all times when using or operating hired equipment.

Please refer to the safety guide below. A full range of associated safety equipment is available to purchase.

SAFETY SYMBOLS USED IN THIS HIRE GUIDE

Throughout this guide we use the following safety symbols to indicate which items of PPE should be worn when operating hired equipment.

DAMAGE AND CLEANING

Customers are reminded that equipment is the hirer's responsibility for the duration of the hire, until it is returned to HIREBASE or collected by us. Damage caused by negligence or total loss by theft will be charged to the hirer. Cleaning charges are applied if equipment is returned dirty.

DAMAGE WAIVER & HIREPROTECT INSURANCE

Avoid the risk of unforeseen charges with our Damage Waiver at an additional 10% of the hire charge. Our Damage Waiver covers you for the first £500 of repair costs caused by accidental damage to our equipment whilst on hire. Damage Waiver must be taken at the point of hire. Full details are available on request.

Alternatively, take out our HIREPROTECT Insurance and be covered against fraud, theft and damage.

Telehandlers	27-29

0.8 Tonne Micro Excavator

Ideally suited for working in back gardens or other areas with very limited access this machine will pass through a standard 760mm gate or doorway. It's expanding track system gives additional stability when working and the roll bar can be folded down to allow access through low level areas. User-friendly controls allow this machine to be used for a wide range of landscaping and other small projects.

Width Retracted/ Extended (mm) ROPS	700/860
Height (mm) ROPS	2230
Transport Length (mm)	2750
Max Digging Depth (mm)	1720
Max Dump Height (mm)	2030

- Adjustable track gauge for excellent access ability
- Easy single lever operation
- Front end hydraulic pipework routed inside the boom, and a top mounted boom cylinder offer optimum protection
- Folding ROPS allows easy transportation and access through doorways
- Outstanding productivity

Exhaust Fume Filter Kit

This is generally used when diesel engines are run within an enclosed environment and therefore ventilation is restricted. The Ravex range of exhaust filters are specifically designed for use on diesel powered plant and construction equipment to effectively reduce smoke and particulate emissions from engines.

- Adaptable to most mobile and static diesel plant and machinery
- Suitable for generators, diggers, handlers, piling rigs, excavators etc
- Removes 95% of particulate from diesel engines
- Long lasting, high efficiency filter element

Dimensions (mm) L x W x H	700/860
Engine kW Rating Filter	Suitable for up to 90kW
Weight	26Kg

GREEN D+ HVO

ENHANCED HYDROTREATED VEGETABLE OIL
DIESEL REPLACEMENT

Green D+ HVO or Hydrotreated Vegetable Oil is a fossil-free, paraffinic fuel made from 100% renewable raw materials. 100% biodegradable, it is a drop-in replacement for Diesel.

- 30% lower NO_x levels
- Particulates are lowered by over 70%
- Green D+ HVO generates up to 90% less CO₂
- Environmentally friendly and sustainable
- Low viscosity levels
- Compatible with all on and off-road Diesel engines
- Long storage shelf life
- Improves the local air quality

Roof Ladder

The safe answer to accessing sloping roofs. The wheeled ladder can be easily hooked over the roof ridge. Available in sizes from 3.4m to 6.6m.

- Lightweight but combines the strength of a trade ladder with a heavy duty ridge hook
- Industrial non-slip rungs & box section stiles
- Rubber covered Cylindrical Rungs distributes weight evenly preventing damage to roof
- Available in single and double sections
- Double sections fitted with safety catches
- Full trade roof ladder range fitted with safety catches

Pecolift

Battery and electric power free, the Pecolift is elevated by simply and easily rotating the handle; with only 10% operator input and 90% mechanism input, the patented lift mechanism glides you smoothly to your chosen working height in seconds.

The Pecolift is truly an Eco-friendly solution. It's tiny footprint and simplicity of use finally provides a purely mechanical solution that doesn't involve erecting, unfolding or climbing.

- Intuitive to operate - turn handle to elevate
- Patented lift mechanism - no power required
- Lightweight and easy to manoeuvre
- Small footprint - 985mm x 700mm
- Unlimited life cycles - can be used 24/7
- Robust design giving years of trouble-free service
- Minimal operating costs - virtually maintenance free

Max Working Height (m)	3.5
Max Platform Height (m)	1.5
Working Footprint (L&W)	985mm x 700mm

Twin Drum Ride-On Roller

These are ideal for compacting large areas of stone, hardcore or asphalt. The Ride on Rollers have a compaction force of 1040kg and due to easy manoeuvrability, they provide excellent results.

- Hydrostatic travel & vibration drive pressure sprinkler system with interval switch
- 2 scrapers per drum, spring loaded & tilt able
- Adjustable operators seat

Code	Description	1 Day	2 Day	Weekend	Week
0242	800mm	£275.19	£387.77	£375.26	£500.34
0241	1200mm	£356.12	£501.81	£485.62	£647.49

Trench Rammer

For use in trenches to compact hardcore before pipe or cable installation. Also suitable for reinstating asphalt.

- Extra power for use on cohesive materials & gradients
- Low hand arm vibration
- Low maintenance leg with oil level sight glass

Engine Power (hp)-(kW)	3.6 - 2.7
Foot Size WxLxH (mm)	230 x 335 x 75

02042	240v	£45.34	£63.88	£61.82	£82.42

Forced Action Mixer

The Forced Action Mixer promptly and effectively mixes, quantities of a wide range of materials including Epoxy Screed, Repair Mortars, Cement, Adhesives, Polyester Resin, Liquid Plastics, Bituminous Sealants & Paints and Powders.

- > Quickly disassembles for transportation in a van or car

Code	Description	1 Day	2 Day	Weekend	Week
02013	110v	£121.54	£171.26	£165.73	£220.97

Petrol Poker Unit

Robust, petrol powered machine, for the effective removal of air from wet concrete. Durable protection frame keeps machine safe in arduous site conditions.

- > Speed limiter to prevent over-revving and poker burn-out
- > Powers pokers to optimum 12,000 vibrations per minute
- > Engine: 4hp Honda Petrol

Engine Speed (rpm)	2800
Weight (kg)	24

Code	Description	1 Day	2 Day	Weekend	Week
0208	Petrol Poker Unit	£80.95	£114.07	£110.39	£147.18

Electric Poker Unit

A compact high frequency vibrating poker system.

- > Lightweight and compact for ease of handling
- > High impact motor housing for high durability
- > Double insulated for electrical safety
- > High frequency vibration for productivity

Engine Speed (rpm)	12000
Weight (kg)	4.8

Code	Description	1 Day	2 Day	Weekend	Week
0207	110v	£71.24	£100.38	£97.14	£129.51

High Frequency Poker

A heavy duty, highly reliable high frequency electronic poker designed for the toughest of site conditions.

- > Designed for deeply poured concrete
- > 15m of cable to switch for long reach from the power supply

Motor Speed (rpm)	12000
Frequency (Hz)	200
Weight (kg)	19

Code	Description	1 Day	2 Day	Weekend	Week
0207H	High Frequency Poker	£126.16	£177.77	£172.03	£229.37

High Frequency Air Poker

A high frequency pneumatic poker.

- Twist Grip throttle provides easy operation
- High frequency vibration give high productivity and performance

Code	Description	1 Day	2 Day	Weekend	Week
0209	50mm	£41.13	£57.95	£56.08	£74.77
02093	75mm	£51.41	£72.44	£70.11	£93.47

Twin Beam Screed

A twin vibrating beam screed for striking off and vibrating concrete between form work.

- Concrete is vibrated to a depth of 150mm
- Fitted with low Hand - Arm Vibration comfort handles for easy pulling

Engine Power (hp)-(kW)	4 - 2.9
Frequency (Hz)	80
Compaction Depth (mm)	150
Weight (kg)	113.5

Code	Description	1 Day	2 Day	Weekend	Week
0213	Petrol Drive Unit	£140.30	£197.69	£191.31	£255.08

Easy Float

Lightweight with a swivel cast aluminium blade to smooth or texture wet concrete to the required finish. Just twist the long handle and the swivel head angles the blade.

- A variety of heads are available for different finishes

Code	Description	1 Day	2 Day	Weekend	Week
1210E	Easy Float	£40.46	£57.01	£55.17	£73.56

Concrete Test Cube

Used to test that concrete is fit for purpose. This measures the compressible cube strength of the concrete and relates directly to the required design strength.

Code	Description	1 Day	2 Day	Weekend	Week
0257	Concrete Test Cube	-	-	-	£25.54

Easy Screed Pro

The Easy Screed has an easily detachable twin handle power unit that clamps on to beams of various lengths. The aluminium beam has a profile suitable for 'free screeding' or by reversing the same beam can be used for striking off across from formwork.

- Adjustable centrifugal force
- In-line flexible drive shaft
- High power 4 stroke Honda engine
- Isolators ensure vibration is transmitted to concrete and not the operator

Beams available from 2.5m - 6.0m

Engine Power (hp)-(kW)	1.6 - 1.2
Frequency (Hz)	83
Compaction Depth (mm)	75
Weight (kg)	19.5

Code	Description	1 Day	2 Day	Weekend	Week
02131	Petrol Drive Unit	£134.90	£190.09	£183.96	£245.27

Power Float

This petrol driven rotary action float will smooth large areas of concrete to a fine finish. Use in conjunction with a float pan to achieve a flatter finish.

- > Self operated clutch system for ultimate low speed control and easy starting
- > Padded height adjustable handlebars

Engine Power (hp)-(kW)	5.5 - 4
Trowelling Diameter (mm)	910
Trowelling Speed (rpm)	65 - 131

Code	Description	1 Day	2 Day	Weekend	Week
0210	36" Float	£88.11	£136.88	£120.15	£160.20
0211	36" Float Pan	£22.68	£31.95	£30.92	£41.22

Concrete Planer

Dry cutting diamond head without water feed for smooth finishes on concrete surfaces or levelling concrete seams.

- > Perfect for stock removal on uneven concrete surfaces
- > Ideal for polishing concrete surfaces with aggregate
- > Dust extraction port to easily connect an M class extraction system
- > Includes 125mm offset diamond cup

Code	Description	1 Day	2 Day	Weekend	Week
0223	110v	£76.64	£107.99	£104.51	£139.34

Floor Grinder

This is perfectly suited for floor preparation, concrete grinding and surface levelling. Used with carborundum blocks or wire brush blocks held in by wedges.

- > Accurate grinding of concrete surfaces
- > Adjustable handles
- > Large wheels for mobility and stability
- > Low noise levels

Head Speed (rpm)	335
Power Output (kW)	2.2
Weight (kg)	86

Code	Description	1 Day	2 Day	Weekend	Week
0219	110v	£148.94	£209.87	£203.10	£270.79

Floor Tile Remover

Unbeatably powerful with up to 40% less vibration.

- > 8.3 joules of impact energy for a high material removal rate
- > Vibration Control ensures more comfortable working, even in time-intensive applications

Weight (kg)	45
Power Output (hp)	2

Code	Description	1 Day	2 Day	Weekend	Week
0741	110v	£113.32	£159.68	£154.53	£206.03

Hand Tamp

Used with the tamper handles.

2.7 - 5.0kVA Petrol Generator

Lightweight portable generators ideal for small power requirements away from mains supply. Not suitable for running sensitive electronic equipment.

- Standard fuel tank - dual voltage
- NSM alternator
- Robust site generator
- Recoil start
- Easy to operate
- Honda GX industrial petrol engine

6.5kVA Diesel Generator

This machine is ideal when portable power is required on site. Mounted in a lightweight acoustic enclosure and benefiting from dual voltage and electric start. Not suitable for running sensitive electronic equipment.

- Super silent canopied compact diesel site generator
- Easy to operate
- Long range exterior fill fuel tank
- Dual voltage 110V/230V multi sockets
- Easy access bunded canopy
- Heavy duty battery
- Meccalte alternator

Welding Fume Filter

This is a lightweight portable welding fume filter solution that's the ideal unit for the removal and filtering of light to medium welding fumes.

- Built-in spark arrester
- Filter efficiency of 99% to 10µm
- Replaceable spark trap filter
- Portable filter nozzle on magnetic stand for quick and easy location

06172	240v 13A	-	-	-	£16.69

25m Extension Lead

Open drum cable reel in sturdy steel frame with carry handle. Fitted with twin or four sockets and 25m of cable. All cable reels should be fully unwound before they are used to carry a full load.

- 2 x 16A outlets / 4 x 13A outlets
- MCB Protected
- Arctic grade cable
- 1.5mm diameter
- 3 core

Code	Description	1 Day	2 Day	Weekend	Week
06181	110v	-	-	-	£35.33
06182	240v	-	-	-	£35.33

RCD Lead

Safety device that monitors electrical flow to a tool and instantly cuts power if any change occurs, reducing the risk of injury by electric shock. Essential when working with power tools from a 240V supply.

- RCD inline lead fitted with 13A plug and 16A coupler

Code	Description	1 Day	2 Day	Weekend	Week
06162	240v	-	-	-	£6.47

4 Way Junction Box

This 110V Junction box, also known as splitter box or spider is perfect for use on site for connecting multiple power tools up to a single transformer. Checks should be made prior to use to establish that the power supply can handle an increased load.

- 4 x 16A sockets
- 5m of 2.5mm cable with 16amp plug
- Robust metal construction
- Weather resistant

Code	Description	1 Day	2 Day	Weekend	Week
0615	110v	£16.20	£22.83	£22.09	£29.45

3 - 5kVA Transformer

Power tool rated transformer, ideal for small breakers, drills etc. 5kVA version is ideal for use with larger power tools.

	3kVA	5kVA
Continuous Rating (kVA)	1.65	2.8
Outlets	2 x 16A	2 x 16A 1 x 32A
Weight (kg)	18	31

0621	5kVA	£42.10	£59.32	£57.41	£76.54

3.3kVA Power Pod Transformer

This transformer is a lightweight powerhouse that makes easy work of power distribution in real world harsh environments.

- 3.3kVA
- 2 x 16A Sockets
- Continuous Rating of 1500W
- Fitted with 240V 13A Plug
- Centre Tapped to earth for extra safety

Code	Description	1 Day	2 Day	Weekend	Week
06202	3.3kVA	£14.03	£21.74	£19.13	£25.50

3kVA Heat Rated Transformer

Metal constructed vented heater made for continuous use.

- Vents help to cool the windings allowing for 3kW heaters to be run for up to 8hours
- 1 x 32A 110V outlet
- 3kVA continuous rating
- Weight 31kg

Code	Description	1 Day	2 Day	Weekend	Week
06201	3kVA	£16.20	£22.83	£22.09	£29.45

10kVA Transformer

Suitable for power site management, transforming to 110V. Note: Site Transformers must be wired in by a qualified electrician.

- 10kVA continuous rated transformers
- 4 X 16A sockets, 2 x 32A
- Needs to be hard wired in place
- Fitted with Type D MCBs
- Weight 66kg (Single) 75kg (3 Phase)

Code	Description	1 Day	2 Day	Weekend	Week
0622	Single Phase	£56.13	£79.09	£76.53	£102.04
0633	3 Phase	£50.91	£71.74	£69.42	£92.56

Puddle Pump

The Puddle Pump is a versatile, portable, submersible pump for drainage water, with the ability to pump down to 1mm.

Outlet (mm)	25
Head Height (m)	11
Flow Rate (l/m)	180
Solid Handling (mm)	6

Code	Description	1 Day	2 Day	Weekend	Week
08321	240v	£61.68	£86.91	£84.11	£112.14
0832	110v	£61.68	£86.91	£84.11	£112.14

Submersible Pump

Heavy duty submersible dewatering contractors pump that are compact, lightweight and powerful.

Outlet (mm)	50
Head Height (m)	11
Flow Rate (l/m)	225
Solid Handling (mm)	7

Code	Description	1 Day	2 Day	Weekend	Week
0830	110v	£62.61	£88.22	£85.38	£113.83
0837	10m Additional Outlet Hose	£9.72	£13.70	£13.26	£17.67

Trash Pump

Trash pumps have the ability to handle solids up to 35mm in diameter within the water. Not to be run dry.

Outlet (mm)	50	80
Head Height (m)	25	30
Flow Rate (l/m)	800	1,300
Solid Handling (mm)	25	6

Code	Description	1 Day	2 Day	Weekend	Week
0834	50mm	£100.37	£141.43	£136.86	£182.48
0833	80mm	£113.32	£159.68	£154.53	£206.03

Centrifugal Water Pump

These centrifugal self-priming pumps are designed for drainage water where a power supply is not available. The robust design provides a long life with absolute minimal maintenance.

Outlet (mm)	25	50
Head Height (m)	40	32
Flow Rate (l/m)	75	500
Solid Handling (mm)	5	5

Code	Description	1 Day	2 Day	Weekend	Week

Breaking & Drilling

Breakers	70-71
Compressor	72
Hammer Drills	72-73
Magnetic Broacher Drill	73
Combi Drill	74
Percussion Drill	74
Angle Head Drill	74
Diamond Drill	75

5kg Breaker

Unbeatably powerful with up to 40% less vibration.

- 8.3 joules of impact energy for a high material removal rate
- Vibration Control ensures more comfortable working, even in time-intensive applications

Code	Description	1 Day	2 Day	Weekend	Week
03291	110v	£37.29	£57.80	£50.85	£67.79

8kg Breaker

A powerful, and durable breaker.

- Automatic switch lock for the best convenience in continuous chiselling applications
- Top performance when drilling and chiselling thanks to 1500 watt motor and 12.5 joules of single impact energy

Code	Description	1 Day	2 Day	Weekend	Week
031101	110v	£51.81	£73.00	£70.65	£94.19
0300F	Floor Scraper Attachment	-	-	-	£20.02

11kg Breaker

The specialist tool for breakthroughs and demolition work.

- Extreme impact force of 16.8 joules for high material removal rate
- Low-vibration in operation and no-load
- Low feed pressure, for fatigue-free working

Code	Description	1 Day	2 Day	Weekend	Week
03011	110v	£56.13	£79.09	£76.53	£102.04
0300F	Floor Scraper Attachment	-	-	-	£18.20

16kg Breaker

This machine is generally used for jobs with medium to large stock removal. The anti vibration technology reduces the operators exposure to harmful vibration enabling longer trigger time.

Code	Description	1 Day	2 Day	Weekend	Week
03131	110v	£69.08	£97.34	£94.20	£125.59

Electric Road Breaker

The most powerful electric breaker.

- High impact performance due to 62 joules of impact energy & 1000 blows per minute
- Low vibration (only 8.5 m/s²) due to the decoupled handles & the vibration-reduced hammer mechanism for a longer trigger time per day

Code	Description	1 Day	2 Day	Weekend	Week
03021	110v	£83.11	£117.11	£113.33	£151.10

Hydraulic Breaker Pack

This hydraulic power pack is a portable high performance alternative to the compressor. It will fit into a small van and is ideal for breaking roads, paths, patios and drives.

Code	Description	1 Day	2 Day	Weekend	Week
0303	Hydraulic Breaker Pack	£124.12	£174.89	£169.25	£225.66

Twin Tool Compressor

- Road towable compressor designed for powering breakers and small air tools
- 140cfm @ 100psi

Code	Description	1 Day	2 Day	Weekend	Week
0110	Twin Tool Compressor	£172.68	£243.32	£235.47	£313.96
0113	Air Demolition Pick	£45.34	£63.88	£61.82	£82.42
0115	Air Chipping Hammer	£45.34	£63.88	£61.82	£82.42
0112	Air Road Breaker	£48.57	£68.44	£66.23	£88.30
0114	Air Rock Drill	£35.51	£50.04	£48.42	£64.56
0111	Additional Air Line	POA	POA	POA	£11.79

SDS + Rotary Hammer Drill

The fastest multi-hammer in the 4kg class.

- Wide range of applications in chiselling and drilling work and when working with a core cutter
- Drills up to 30% faster (25 mm diameter) than comparable competitor tools
- Low vibration values of only 8m/s² for fatigue-free working due to Bosch Vibration Control
- Extremely robust due to aluminium gear housing
- Extremely fast changing between SDS-plus and quick-change chuck for drilling in wood and metal
- Compact design for perfect handling for optimum performance

Code	Description	1 Day	2 Day	Weekend	Week
03102	4kg 240v	£38.05	£53.61	£51.88	£69.17

► Don't forget to pick up your drill bits in branch

SDS Max Rotary Hammer Drills

Fast all-rounder with vibration control.

- Fast drilling rate due to 1150W motor and powerful impact mechanism
- Vibration Control ensures more comfortable working, even in time-intensive applications
- Setting wheel for variable adjustment for speed & impact rate for optimum performance

Code	Description	1 Day	2 Day	Weekend	Week
03301	5kg 110v	£43.18	£60.84	£58.88	£78.50
03111	7kg 110v	£44.87	£63.22	£61.18	£81.57
03121	11kg 110v	£56.13	£79.09	£76.53	£102.04

Cordless SDS Hammer Drill

3 function rotary hammer drill ideal for anchors and fixing into concrete.

- Bosch KickBack Control if drill bit jams
- Comes complete with a keyless chuck, making it also suitable for straight-shank drill bits in wood and metal
- Up to 50% faster work rate due to higher single impact energy

Code	Description	1 Day	2 Day	Weekend	Week
0307	36v	£52.89	£74.53	£72.12	£96.16

Magnetic Broacher Drill

Heavy duty magnetic hole cutter for cutting holes in iron and steel when accuracy is required.

- One of the lightest magnetic based on the market
- Suitable for drilling up to 32mm diameter by 35mm depth
- Drill chuck capacity ø13mm
- CutSmart Technology
- Powerful 850W motor
- 600RPM
- Lightweight 10.8kg

Code	Description	1 Day	2 Day	Weekend	Week
0322	Magnetic Broacher Drill	£127.35	£179.45	£173.66	£231.54

Visit hirebase.uk

Call or visit your local branch

Cordless Combi Drill

Ideal for jobs without a power supply these will drill 65mm in wood and also has hammer action for masonry drilling.

- Impact drilling function
- For drilling in masonry up to 13 mm
- Up to 75 holes (6 x 50 mm) in masonry (test concrete in accordance with EN 60745-2-1-) with only one battery charge (18 V – 4.0 Ah) only one battery charge (18 V – 4.0 Ah)

Code	Description	1 Day	2 Day	Weekend	Week
03061	18v	£30.23	£422.59	£41.22	£54.95

Diamond Core Drill

This hammer drill with torque limiter and powerful motor is ideal for making clean-cut, smooth holes in tile, ferro concrete, marble, brick, etc. and can accept a large diamond core bit 150 mm in diameter.

- Heavy duty construction - ideal for site work
- Percussion action for drilling pilot hole
- Rotary action for dry diamond core drilling
- Torque limiter to prevent operator injury if the core bit snags
- Excellent for plumbers, electricians, general contractors, hirers.

Code	Description	1 Day	2 Day	Weekend	Week
0325	110v	£48.57	£68.44	£66.23	£88.30

13mm Percussion Drill

Powerful 2 speed motor enabling the operator to drill 40mm into wood.

- No bigger than a glove and only 1.8kg
- Soft grip for a secure hold
- Robust, twin-sleeve keyless chuck made of metal for fast bit changes

Code	Description	1 Day	2 Day	Weekend	Week
03081	110v	£20.53	£28.92	£27.99	£37.31

Diamond Cores

A range of diamond cores are available for sale, supplied with adaptors, pilots and fittings. Cores for hire are subject to a hire and wear charge measured per millimetre used.

Code	Description	1 Day	2 Day	Weekend	Week
0331	22-162mm	£11.88	£16.74	£16.20	£21.60

Angle Head Drill

A compact drill with a fixed 90 degree head to allow access to awkward areas.

- Compact head & chuck
- Paddle switch for ease of operation
- 10mm steel drilling capacity
- 25mm wood drilling capacity

Code	Description	1 Day	2 Day	Weekend	Week
03201	Angle Head Drill	£43.18	£60.84	£58.88	£78.50

Diamond Drill Rig Stand & Accessories

This heavy duty machine is designed for cutting large diameter holes in concrete, masonry, stone floors and walls.

- Rig stand used with diamond drill for precision and clean holes
- Vacuum pump locates and fixes firmly without marking surfaces
- A dust extraction system is available for dry cutting applications

Code	Description	1 Day	2 Day	Weekend	Week
0327	Rig Stand	£94.97	£133.82	£129.51	£172.67

Premium 1st Fix Framing Nailer

The IM360Ci Cordless 1st fix framing nailer powered by a fuel cell and a rechargeable li-ion battery. Ideal for first fix or fencing work. Drives 51-90mm ring shank nails.

- The most powerful Paslode framing nailer capable of driving 51-90mm ring-shank nails into timber applications
- Fast charging, high performing Li-ion battery delivers up to 13,000 shots per charge
- Intelligent fuel injection system offers great cold weather performance – works efficiently up to -15°C
- LED indicator which shows remaining power & fuel
- Market leading power to weight ratio meaning reduced fatigue and increased productivity

Code	Description	1 Day	2 Day	Weekend	Week
04512	IM360Ci Premium 1st Fix Framing Nailer	£74.71	£105.27	£101.88	£135.83

1st Fix Framing Nailer

The IM350+ Cordless 1st Fix Framing Nailer powered by a fuel cell and a rechargeable li-ion battery. Ideal for framing applications such as stud work, noggins, roof battens and fencing. Drives 51-90mm nails.

- Powerful Paslode framing nailer capable of driving 51-90mm nails into timber applications
- Fast charging, high performing Li-ion battery delivers up to 9,000 shots per charge
- Multi-angled teeth nose probe provides good fixing accuracy
- Excellent power to weight ratio meaning reduced fatigue and increased productivity

Code	Description	1 Day	2 Day	Weekend	Week
0451	IM350+ 1st Fix Framing Nailer	£62.61	£88.22	£85.38	£113.83

2nd Fix Brad Nailer

The IM65 F16 2nd Fix Brad Nailer is a compact, quick and durable finish nailer powered by a fuel cell and a rechargeable li-ion battery. Ideal for second fix finishing work such as skirting boards, architraves and beading. Drives 16-65mm brad nails.

- 30 Joules of power – ideal power ensures a flush finish in all soft woods and dense MDF
- Fast charging, high performing Li-ion battery delivers up to 10,000 shots per charge
- Light and excellent balance allows manoeuvrability into tight spaces and limits fatigue
- Optimised nose design and clear line of sight provides easy access

Code	Description	1 Day	2 Day	Weekend	Week
0454	IM65 F16 2nd Fix Brad Nailer	£62.61	£88.22	£85.38	£113.83

Cartridge Nail Gun

These cartridge nail guns are the quick solution to fixing nails, studs or clips in masonry and steel.

- All metal cartridges eliminate warping at high temperatures. Disc system reduces cartridge waste
- Power adjustment: Versatile one pin and one load can be adapted to fix into different base materials
- Sequential shot: Contact pressure of 15kg to activate safety trigger

Code	Description	1 Day	2 Day	Weekend	Week
0459	Cartridge Nail Gun	£46.42	£65.41	£63.30	£84.39

Stapler

Heavy Duty Cordless Stapler is used for medium to heavy duty stapling applications.

- Cordless, self powered: No hoses, no compressors, no setting up time
- Quick clear feature: allowing easy access to nose, reducing down time
- Lightweight: Centrally balanced body with textured 'Sure Grip' handle

Code	Description	1 Day	2 Day	Weekend	Week
0453	Cordless Stapler	£50.86	£71.67	£69.36	£92.47

Autofeed Screwdriver

Ideal for dry wall, floor and deck fixing. Screws are automatically fed through the machine. Faster fixing – saves time and money. Max screw length 55mm.

Code	Description	1 Day	2 Day	Weekend	Week
03070	18v	£36.27	£51.11	£49.46	£65.94
0321	110v	£53.43	£75.28	£72.85	£97.13

Secret Floor Nailer

A fast and effective way to lay traditional tongue and groove floorboards, simply position the tool and strike plunger with mallet supplied.

- Metal construction
- 'L' or 'T' anti-jamming nailer

Code	Description	1 Day	2 Day	Weekend	Week
0458	Secret Floor Nailer	£45.34	£63.88	£61.82	£82.42

Impact Wrench

The first 18-volt impact wrench with flexible battery system.

- High torque & high impact rate for fast work progress when driving screws in metal & wood
- Very short design for perfect handling, even in the tightest spaces and overhead
- Less weight for more comfortable work

Code	Description	1 Day	2 Day	Weekend	Week
0314	110v	£44.21	£62.29	£60.28	£80.37

0222	450mm Diesel	£150.02	£211.39	£204.57	£272.75

Petrol Disc Cutter

The construction industry workhorse, this 2 stroke petrol machine will cut most materials to a maximum cutting depth of 100mm (300mm version) or 125mm (350mm version). Diamond or abrasive blades are charged in addition to the hire of the machine.

- Well balanced for easy use
- Anti-vibration system
- Decompression valve for reduced effort starting
- Conveniently positioned controls 100mm

Code	Description	1 Day	2 Day	Weekend	Week
0413	300mm	£42.10	£59.32	£57.41	£76.54
0415	350mm	£63.69	£89.74	£86.85	£115.79
0416A	Dust Reduction Water Kit	£12.97	£18.27	£17.68	£23.57

Cut 'N' Break Saw

This saw can cut straight through a 400mm wall from the outside. Will cut expansion joints, window/door openings, chasing for cabling. Blade wear charges extra.

- Cylinder displacement 73.5 cm³
- Blade diameter Max 300 mm
- Cutting depth Max 100 mm

Code	Description	1 Day	2 Day	Weekend	Week
0414	Petrol Saw	£82.24	£115.88	£112.14	£149.52
0416A	Dust Reduction Water Kit	£12.97	£18.27	£17.68	£23.57

Concrete Saw

Regulations curbing the noise generated by construction work are demanding quieter machines and this electric stonecutter provides this assistance. Where concrete slabs or stone cladding has to be cut, this electric stonecutter will cut to a depth of 100mm (4 inches).

- Ideal for use where petrol machines cannot be used
- Adjustable depth guard for consistent cutting
- Soft start

Code	Description	1 Day	2 Day	Weekend	Week
04121	110v	£53.97	£76.05	£73.59	£98.12

Dustmaster

The innovative DUSTMASTER® is a self-contained mobile dust filtration unit designed to capture and filter dust from a wide range of tasks and applications found on construction sites.

- Unique washable filters help save money
- Mobile and easily transportable
- Ideal for sensitive environments
- Can create negative pressures

Code	Description	1 Day	2 Day	Weekend	Week
0000	Dustmaster	POA	POA	POA	POA

Ventex 300SCF Multi Extractor

The VENTEX 300SCF Centrifugal Fan is particularly suited to extracting any hot fumes or paint fumes because the motor is not in the airflow, also where long duct runs are required to remove the fumes to atmosphere.

- High powered centrifugal fan
- Supply Long duct runs up to 80m
- Mobile Use for dust and fume filtration
- Suitable for extraction of exhaust or paint fumes

Code	Description	1 Day	2 Day	Weekend	Week
0000	Ventex 300SCF	POA	POA	POA	POA

Manual Block Splitter

Heavy duty block splitter designed for cutting all common types of block paving.

- High performance split achieved through cam action and extra long cutting handle
- Easy to adjust block size with large thread, single screw adjuster
- Lock-down handle and wheels for easy on site wheeling

Cut Force (kN)	45.6
Blade Length (mm)	408
Max Cutting Height (mm)	120
Weight (kg)	35.5

Code	Description	1 Day	2 Day	Weekend	Week
0240	Manual Block Splitter	£49.65	£69.96	£67.71	£90.27

Mitre Saw

Ideal for accurate and consistent timber cutting. Can produce mitres and bevel cuts in either direction.

- High cutting capacity and variable speed for a wide variety of applications
- Vertical cutting capacity of 120mm
- Variable speed for adapting the cutting speed to the material
- SDS saw blade changes

Code	Description	1 Day	2 Day	Weekend	Week
04201	110v	£96.05	£135.34	£130.97	£174.62
04202	240v	£83.18	£117.20	£113.42	£151.22

Masonry Bench Saw

Built as a portable and powerful saw to cut bricks, blocks, large tiles and slabs with water suppression.

- Straight & accurate cutting is achieved through the use of sliding table fitted with seize free rollers
- Machine is easy to dismantle for transport and storage
- Dust free operation from highly reliable submersible pump

	450mm Petrol	350mm Petrol

Mortar Raker

Mortar raking machine with dust and cutting depth control. Complies with health and safety regulations to contain silica raking dust.

- Adjustable raking width
- Precise depth control for a constant pre-set raking depth.

Code	Description	1 Day	2 Day	Weekend	Week
0000	VR750 115mm-125mm	POA	POA	POA	POA

Mortar Router

Mortar routing machine with dust and routing depth control. Complies with health and safety regulations to contain silica routing dust.

- › Perfect for horizontal and vertical joints
- › Precise depth control for a constant pre-set routing depth

Code	Description	1 Day	2 Day	Weekend	Week
0000	Diamond Router	POA	POA	POA	POA

Dust Control Sanding/Grinding Machine

Grinding and sanding machine with dust and grinding depth control. Complies with health and safety regulations to contain sanding and grinding dust.

- › Controls dust even on slightly uneven surfaces

Code	Description	1 Day	2 Day	Weekend	Week
0000	Dust Guard	POA	POA	POA	POA

Cordless Circular Saw

The cordless circular saw enables the user to have mobile use where safe to do so in places where it would otherwise be impractical.

- › Ergonomically shaped handle with comfort zone in the softgrip area for a secure hold and low user fatigue
- › Continuously variable cutting depth setting by means of quick-clamping lever
- › Cut up to 50 chipboards (900 x 19 mm) to length with only one battery charge
- › Cutting depth (90°) 51 mm
- › Cutting depth (45°) 40 mm

Code	Description	1 Day	2 Day	Weekend	Week
0428	18v	£36.27	£51.11	£49.46	£65.94
0428B	36v	£46.73	£65.88	£63.72	£84.96

Flip Over Bench Saw

This machine can be used as a saw bench for cutting and ripping lengths of timber or by simply flipping it over it becomes a chop saw for mitre and bevelled cuts. Saw blades available to buy.

- › Compact design with folding legs for easy transportation
- › Electronic brake, constant speed control and soft start

Power (W)	1650
Blade Diameter (mm)	260
Max Cut as a Table Saw	70mm @90° 48mm @ 45°
Max Cut as a Mitre Saw	210mm @ 90°

04191	350mm Metal	£61.53	£86.70	£83.91	£111.87

Chop Saw

One saw and one blade cuts everything!

- › One blade can cut wood, wood with nails, steel, plastic, cast iron and stainless steel

Power	2300W
Speed	1300 rpm
Max Blade Diameter	Ø335 x 25.4mm
Max Cutting Length	190mm
Max Cutting Depth	120mm
Weight	25kg

Code	Description	1 Day	2 Day	Weekend	Week
0426	355mm Extreme	£64.76	£91.25	£88.31	£117.74

Soundex E6/2 Quick Tech Acoustic Cutting Enclosure

This extremely robust 2.5m² industrial quality cutting enclosure incorporates acoustic walls and roof with quick access entrance and left and right ports to accommodate extra long lengths of material.

- › Fire resistant
- › Up to 32.3 dB reduction in noise
- › Lighting and dust extraction available
- › Quick and easy installation

Code	Description	1 Day	2 Day	Weekend	Week
0000	Soundex E6/2	POA	POA	POA	POA

Cordless Jigsaw

The compact and powerful cordless jigsaw.

- › Compact, lightweight design with small grip circumference enables optimum control when sawing
- › Powerful battery system for cutting even in thicker or harder materials
- › SDS saw blade changes with only one hand

Code	Description	1 Day	2 Day	Weekend	Week
03069A	18v	£36.27	£51.11	£49.46	£65.94

Jigsaw

The most powerful tool in its price class.

- › High power reserves, even in hard and thick beams, due to powerful and overload capable 780-watt motor
- › Extremely robust and bend-resistant sole plate for the toughest jobs
- › High cutting precision due to new saw blade clamping system

Code	Description	1 Day	2 Day	Weekend	Week
04271	110v	£23.75	£33.47	£32.39	£43.18

Reciprocating Saw

Best-in-class cutting performance.

- › Cut over 100 spruce beams to length with only one battery charge
- › Electronic Motor Protection (EMP) protects the motor against overload and ensures a long lifetime
- › Easy and fast saw blade changes due to SDS mechanism

Code	Description	1 Day	2 Day	Weekend	Week
03068A	24v	£36.27	£51.11	£49.46	£65.94
04291	110v	£42.10	£59.32	£57.41	£76.54

Metal Nibbler

The handy tool for difficult positions.

- Optimum handling – thanks to the slimmest grip circumference in its class – especially for hard-to-reach areas
- Easy operation due to tool-free sanding paper changes and tool-free adjustment of the working angle
- Always the appropriate speed for versatile use on different materials due to speed pre-selection

Code	Description	1 Day	2 Day	Weekend	Week
0619	Metal Nibbler	£51.81	£73.00	£70.65	£94.19

Angle Grinder

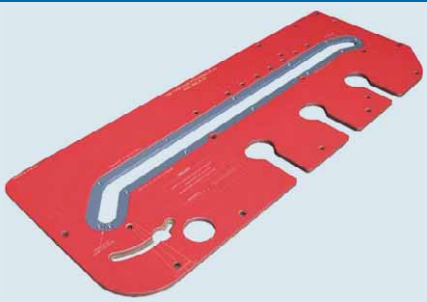

These heavy duty multi application machines will grind and cut most common building materials. Diamond or abrasive discs are available to purchase.

Code	Description	1 Day	2 Day	Weekend	Week
04102	115mm 240v	£21.65	£30.50	£29.52	£39.35
04111	230mm 110v	£29.15	£41.08	£39.75	£53.00

Worktop Jig

Designed by kitchen fitters for kitchen fitters, compatible with all popular routers. Double ended to fit corner cooking solutions. Cuts: 500, 600 & 650mm worktops. 90° left and right joints.

Code	Description	1 Day	2 Day	Weekend	Week
0442	Worktop Jig	£37.79	£53.25	£51.53	£68.70

Multi Tool

The all-rounder – for easily completing projects.

- StarlockPlus category tool ensures a faster work rate
- Magnetic interface for easy tool changes
- Powerful motor with slim grip for comfortable working in a wide range of applications. Extensive range of accessories available

Code	Description	1 Day	2 Day	Weekend	Week
045	110v	£36.71	£51.73	£50.06	£66.74
045A	240v	£34.96	£49.26	£47.67	£63.56

Heavy Duty Manual Tile Cutter

These tile cutters are suitable for cutting wall, floor and ceramic tiles uses a simple score and snap operation.

- Compact and lightweight
- Rigid steel construction
- Adjustable cutting guide
- Cutting wheel is made from Tungsten Carbide

Code	Description	1 Day	2 Day	Weekend	Week
04061	400mm	£33.99	£47.90	£46.35	£61.80
04062	600mm	£42.49	£59.87	£57.93	£77.24

Electric Tile Cutter

Heavy duty built Tile saw ideal for interior tiling.

- High power heavy duty induction motor
- Tilting Table for bevel cutting
- Sliding mitre tool for cutting tiles corner to corner
- Side fence for making identical repeat cuts

Motor Power (W)	1200
Blade Size (mm)	230
Max Depth of Cut (mm)	37

Code	Description	1 Day	2 Day	Weekend	Week
04041	110v	£70.16	£98.86	£95.67	£127.55

Beam Lifter

A purpose designed manual beam lifter able to lift beams 3m high up to a maximum lifting weight of 600kg.

- > No cables or guides
- > Simple to use robust machine
- > Weight 86kg
- > Folded dimensions 159cm x 81cm x 63cm

Code	Description	1 Day	2 Day	Weekend	Week
0017A	Beam Lifter	£54.03	£76.13	£73.67	£98.22

8m Material Conveyor Hoist

Today's regulations state you must provide a mechanical means for handling respective heavy loads, rather than relying on manual labour. Material lift conveyor hoists are proven to double your performance for half the effort. It can clear a pallet of concrete blocks in less than 1 minute.

- > Quick to erect
- > Up and running within four minutes
- > 1000 tiles can be loaded onto any roof in under 25 minutes
- > Powered reverse to strip valuable salvage down easily

Maximum Lift	7m
Machine Weight	104kg
Power	5kVA
Max Weight per Hook	20kg
Max Operating Angle	65°

Code	Description	1 Day	2 Day	Weekend	Week
00101	110v	£151.10	£212.91	£206.04	£274.72

0009	3.0m Skip Ramp	£23.75	£33.47	£32.39	£43.18

Block Transport Cart

For the effortless transportation of bound or loose pavers, kerb stones, slabs etc.

- 400kg block transport cart
- Suitable for lifting banded or unbanded sections of paving

Code	Description	1 Day	2 Day	Weekend	Week
0967	Block Transport Cart	£71.24	£100.38	£97.14	£129.51

Pallet Truck

Easily move pallets over smooth ground up to a maximum weight of 2.5ton.

- Fork length 1150mm
- Distance between forks 230mm
- Weight 70kg
- Min height of lift 80mm
- Maximum height of lift 190mm

Code	Description	1 Day	2 Day	Weekend	Week
0962	Pallet Truck	£49.35	£69.53	£67.29	£89.71

Sack Barrows

Perfect trucks for occasions when there are countless things to move from A to B.

Code	Description	1 Day	2 Day	Weekend	Week
0961	Sack Barrow	£12.36	£17.41	£16.85	£22.46
0897	Stair Climbing Truck	£18.71	£26.36	£25.51	£34.01

Kerb Stone Lifter

A manual kerb stone lifter that is suitable for the handling of either kerb stones or path edging stones.

- 2 person lift, or can be suspended via lifting eye

Code	Description	1 Day	2 Day	Weekend	Week
09642	Kerb Stone Lifter	£28.49	£40.15	£38.85	£51.80
09644	Kerb Stone Clamp	£18.36	£25.87	£25.03	£33.37

Battery Powered Vacuum Slab Lifter

Battery powered slab lifter.

- > 150kg battery powered vacuum slab lifter
- > 2 person lift, or can be suspended via lifting eye

Plate Size	440 x 250m
Dead Weight	16kg

Code	Description	1 Day	2 Day	Weekend	Week
0964	150kg	£77.71	£109.50	£105.97	£141.29

Manual Vacuum Slab Lifter

Manual slab lifter.

- > 25kg manual powered vacuum slab lifter
- > 1 person lift for no porous slabs up to 25kg in weight

Code	Description	1 Day	2 Day	Weekend	Week
09641	25kg	£30.34	£42.75	£41.37	£55.15
09643	50kg	£33.03	£46.54	£45.03	£60.04

Plasterboard Lift

Plasterboard lifter for lifting boards onto pitched and flat ceilings.

- > Max length of board 3m
- > Maximum lift 3.5m with extension
- > Plasterboard panel held safe and secure by the telescopic arms
- > Quick assembly and dismantling
- > Max load 75kg

Code	Description	1 Day	2 Day	Weekend	Week
0017	Plasterboard Lift	£70.16	£98.86	£95.67	£127.55

Glass Suckers

These glass suckers will grip to most flat surface non-porous materials and is ideal for use when handling heavy, awkward and hard to hold items such as glass, sheet metal, large tiles, marble and many other materials during building installation and servicing.

- > Heavy-duty aluminium body
- > Simple lever action, locking vacuum system
- > Supports loads of up to 100kg when used in a vertical orientation and 110kgs when used in a horizontal orientation

Code	Description	1 Day	2 Day	Weekend	Week
0963	Glass Suckers (pair)	£19.55	£27.54	£26.65	£35.53

Rubbish Chute

Safely dispose of rubbish from high levels, this chute is quickly and easily assembled from 1m sections.

Code	Description	1 Day	2 Day	Weekend	Week
0090	1m Rubbish Chute	-	-	-	£22.59
0091	Hopper Chute	-	-	-	£22.59
0092	Side Entry Chute	-	-	-	£22.59

NEW PREMIUM ABRASIVE 850 INOX SLITTING DISC

Up to 6 times more cuts, and 4 times longer life than standard discs.

Floor Sander

Get excellent results restoring wooden floors by removing old finishes, and stains. The heavy duty drum sander will smooth damaged wooden floors leaving a clean surface ready for recoating.

- 200mm (8") Drum Floor Sander
- Suitable for all wood floors
- Self cooling
- Seated oversize alloy vacuum fan with adjustable dust shoe, disposable paper or cloth bag

Code	Description	1 Day	2 Day	Weekend	Week
04302	Floor Sander 240v	£73.40	£103.43	£100.09	£133.45
04322	Floor Sanding Kit (combined rate) 240v	£99.30	£139.92	£135.41	£180.54

Floor Edging Sander

The edging sander works well with the floor sander to produce an up to the skirting board finish.

- 178mm (7") Disc (Edger) Floor Sander
- Suitable for all wood floors

Code	Description	1 Day	2 Day	Weekend	Week
04312	240v	£45.34	£63.88	£61.82	£82.42

Multi Purpose Sander

The SandGlider is a floor preparation machine designed for sanding, edging, re finishing and polishing floors. It is simple to use and provides a low dust alternative to traditional floor sanding equipment. Featuring easy to attached velcro sanding or polishing pads coupled with its random orbital technology the SandGlider makes sanding and polishing effortless and stress free.

- Extremely user friendly
- Random orbital technology
- Virtually dust free operation
- Easily controlled and less aggressive than a traditional belt sander

Code	Description	1 Day	2 Day	Weekend	Week
04305	Multi Purpose Sander 240v	£73.40	£103.43	£100.09	£133.45

► Don't forget your sanding discs & polishing pads

Orbital Sander

A multi-purpose sander for light to medium duty use. These machines will produce excellent results when smoothing plaster. They can be fitted to a dust extraction system.

- High-quality sanding plates for the best surface quality
- Quiet and low-vibration for more comfortable working
- Best bearing seal and high-quality aluminium bearing flange for smooth running

Code	Description	1 Day	2 Day	Weekend	Week
04332	240v	£24.31	£34.26	£33.15	£44.20

Random Orbital Disc Sander

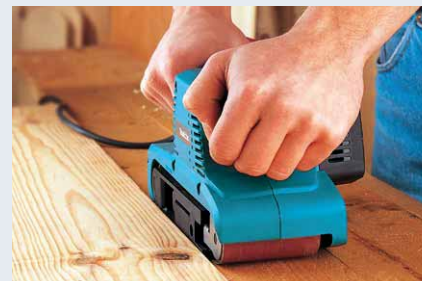

For sanding and polishing wood, metal and plastic, paint and varnish, even on curved surfaces. The random orbit motion plus rotation ensures the finest sanding with high sanding performance.

- Aluminium bearing flange for high running smoothness
- Control Electronic and speed pre-selection, i.e. the right speed for every application

Code	Description	1 Day	2 Day	Weekend	Week
04341	110v	£31.31	£44.12	£42.69	£56.92

Belt Sander

To smooth rough, flat timber surfaces quickly and effectively.

- Ideal for stock removal or for removing paint & varnish
- Ideal on floor boards or worktops
- Equipped with an extra long cable for long sanding runs
- Variable speed dial to ensure the correct speed for the application
- Supplied with a dust bag or can be connected to an M class extraction unit

Code	Description	1 Day	2 Day	Weekend	Week
04351	100mm 110v	£37.79	£53.25	£51.53	£68.70

Palm Sander

Great hand sander for finishing work prior to painting.

- › Robust clamping system and ergonomic handle for fatigue-free sanding over many hours
- › Strong, durable and easy to operate.
- › Strong felt pad with metal sheet for less vibration.

Code	Description	1 Day	2 Day	Weekend	Week
04361	110v	£22.68	£31.95	£30.92	£41.22

Planer

Ideal for planing to size and for producing the highest surface quality finish. The 82mm base will remove over 2mm in a single pass.

- › Ultra-sharp blades
- › Constant speed, even when working in hardwood
- › Durable wood razor reversible blades

Code	Description	1 Day	2 Day	Weekend	Week
04381	110v	£41.01	£57.79	£55.92	£74.56
0438	18v	£50.98	£50.04	£69.52	£92.69

Router

The best tool for cutting rebates, grooving timber and other materials. These heavy duty machines have adjustable depth of cut and are ideal for use with a worktop jig.

Code	Description	1 Day	2 Day	Weekend	Week
04401	110v	£43.18	£60.84	£58.88	£78.50
04402	240v	£37.39	£52.69	£50.99	£67.98

Biscuit Joiner

Compact & lightweight Biscuit Joiner for precise routing of grooves: for corner, frame, longitudinal and cross joints with biscuit dowels.

- › Easy to grip slim body
- › Top handle for improved accuracy
- › 6 pre-set cutting depths
- › Rotatable dust nozzle

Blade Diameter	100mm
Blade Thickness	4mm

Code	Description	1 Day	2 Day	Weekend	Week
04431	110v	£52.89	£74.53	£72.12	£96.16

Dust Extraction Unit (M Class)

M Class rated wet and dry vac 110V.

- › Automatic Filter Clean System
- › 45 Litre Container Capacity
- › Sturdy bumper with castor brake

Air Flow rate (m³/h)	185
Sound Pressure Level (dB(A))	64

Code	Description	1 Day	2 Day	Weekend	Week
07383	110v	£94.89	£133.70	£129.39	£172.51

Dust Extraction Unit

The compact dust extractor for mobile use.

- › Easy filter cleaning due to semi-automatic filter cleaning system (SFC)
- › Certified safety dust extractor that meets dust class "L"
- › Easy transportation and loading due to the compact design

Code	Description	1 Day	2 Day	Weekend	Week
0738	110v	£76.64	£107.99	£104.51	£139.34
07382	110v Dust Cube	£47.70	£67.21	£65.04	£86.71

LED Uplight

- Self-righting based once filled with either water or sand
- Single power take off to enable linking to further lights
- Supplied with 3m of rubber cable and 16A plug
- Lumens - 1600l, Power - 20W
- IP Rating - IP44

Code	Description	1 Day	2 Day	Weekend	Week
0611B	110v	£31.31	£44.12	£42.69	£56.92

Plasterers Uplight

Uplight has 360° light exposure and overcomes all storage, distribution, handling and stability problems associated with conventional lighting.

- 36W
- 3000 Lumens
- Link up to 30 units from one power supply
- Retractable aluminium alloy tripod
- IP54 rated
- Weight 4kg

Code	Description	1 Day	2 Day	Weekend	Week
0611A	110v	£31.31	£44.12	£42.69	£56.92

LED Rechargeable Light

A portable rechargeable LED work light.

- Double sided LED lights
- Up to 12hours of battery working time
- Recharging time is 8-10hours
- 2060 Lumens
- Dims H580mm x W340mm x D210mm
- Weight 8.1kg

Code	Description	1 Day	2 Day	Weekend	Week
0418	ExIN-Light	£38.53	£54.29	£52.54	£70.05

Festoon Lights

Ideal for providing temporary 110V lighting for construction site walkways and gangways. Can easily be suspended from scaffolding.

- 22m kit complete with 10 bulbs and guards
- Fitted 16A 110V plug
- Weight: 3.5kg

Code	Description	1 Day	2 Day	Weekend	Week
0612	110v 22m	£28.53	£40.20	£38.91	£51.87

Handy Work Light

A floor standing light that is ideal for construction site illumination. Available in 110V or 240V.

- 1 x 500W light head
- Heavy duty, one piece steel frame
- Head can be rotated to maximise light distribution

Code	Description	1 Day	2 Day	Weekend	Week
0609	110v	£12.97	£18.27	£17.68	£23.57
06091	240v	£12.36	£17.41	£16.85	£22.46

Halogen Tripod Floodlights

Halogen lights on tough steel tripods or stands. Ideal construction site illumination. Available in 110V or 240V.

- Extending swing leg tripod
- 500W light head
- Extendable from 1.5m-2.4m
- Heads can be rotated to maximise light distribution

Code	Description	1 Day	2 Day	Weekend	Week
0610	110v Single	£23.75	£33.47	£32.39	£43.18

06081	240v Twin	£22.63	£31.89	£30.86	£41.14

Globe Light

A robust 57W light ideal for numerous applications. Ceiling suspension hook, floor standing or can be mounted on a tripod.

- Tough Opal diffuser
- 6000hrs bulb life
- 57W compact fluorescent tube 3900 Lumens

Code	Description	1 Day	2 Day	Weekend	Week
0614	110v	£23.82	£33.56	£32.48	£43.30

8.5m LED Lighting Tower

The TL-90E has low emissions, reliability and improved fuel efficiency providing up to 160 hours of uninterrupted operation. Compact and easy to transport, whilst the 5 x 240W powerful LED lamp heads offer directional clear and crisp light, with a spread of up to 100 metres.

- AutoStart
- Super silent operation
- Mast deployment alarm
- 110 Volt sockets
- Level sensor
- 8500mm Mast Height
- Automatic mast descent when handbrake is released
- 4 wind down legs
- Kubota Z482 @ 1500rpm engine

Code	Description	1 Day	2 Day	Weekend	Week
0644	8.5m	£150.09	£211.49	£204.66	£272.88

9m LED Lighting Tower

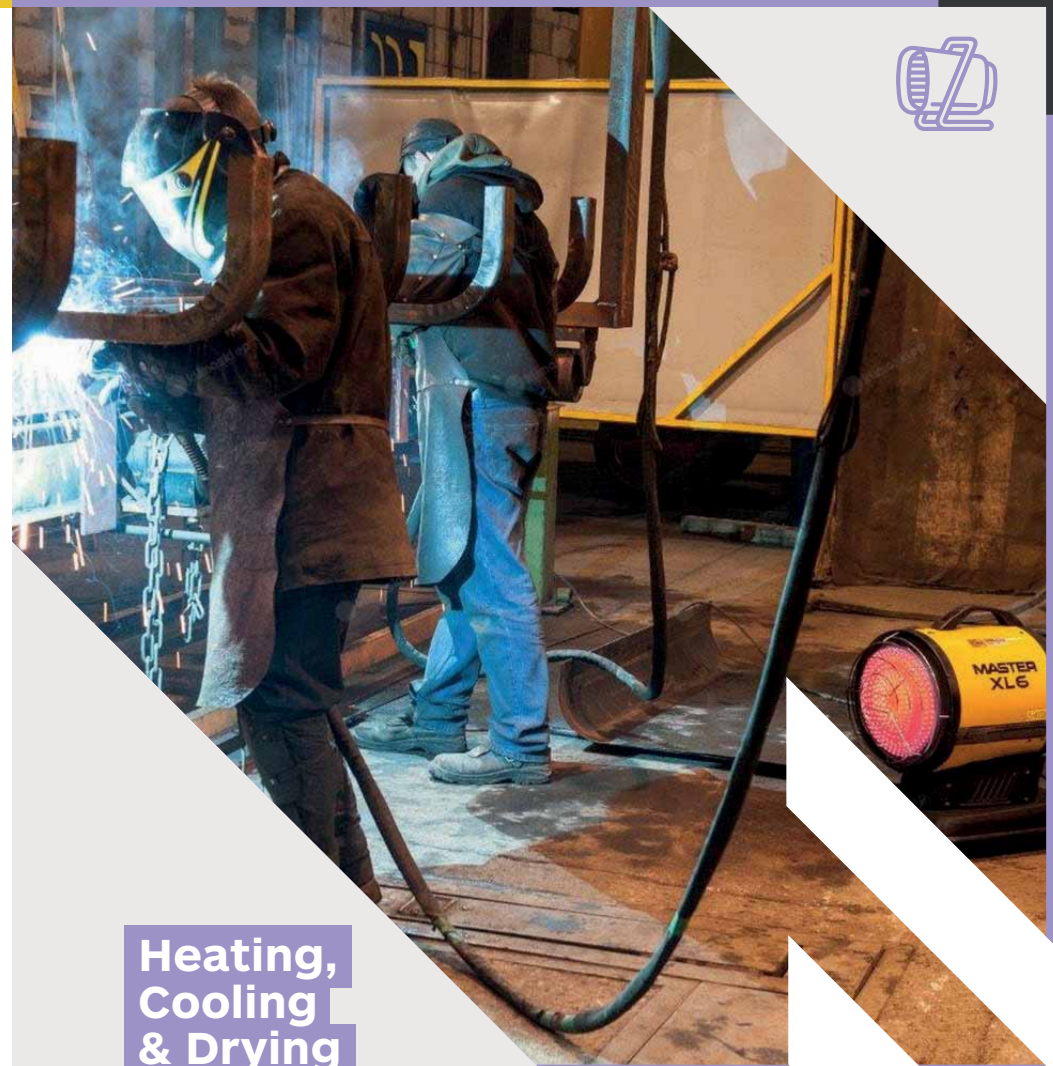

Luminator provides a large area of light coverage from a compact and portable wheeled tower. The LED optics enables users to direct the light to exactly where it is needed reducing light pollution.

- 4M 30,000 Lumens lighting tower with a motor driven mast
- Requiring only 374W - can be run from a standard power tool transformer
- 180° and 360° light spread options helps prevent light wastage or pollution
- 100% and 50% light power settings gives control over how much light is emitted

Code	Description	1 Day	2 Day	Weekend	Week
0644	9m	£150.09	£211.49	£204.66	£272.88

Heating, Cooling & Drying

Heaters	118-121
Air Conditioning Units	122
Cooling Units & Fans	122-123
Dehumidifiers	123

Infra Red Heater

Aesthetically pleasing for use in offices, retail, industrial, production lines, leisure centres. Primarily used for anywhere that needs short wave spot heating. Note: Not suitable where infants maybe present.

- Built in safety tilt switch to cut power if unit is knocked over
- Instant heat from start up by way of independently controlled heating elements
- 110v unit needs to be run from vented heater transformer
- Integral Wheels for Easy Mobility
- Tough Roto Moulded Body

Code	Description	1 Day	2 Day	Weekend	Week
0501	110v	£69.08	£97.34	£94.20	£125.59
05011	240v	£69.08	£97.34	£94.20	£125.59

Ceramic Radiant Heater

Supplying 2.8kW of instant heat, these industrial heaters are ideal for providing a heat source in the workplace. 110V must be used with a vented transformer. Note: Not suitable where infants maybe present.

- Industrial ceramic heater
- Instant heat the moment unit turned on
- 2.8kW

Code	Description	1 Day	2 Day	Weekend	Week
0502	110v	£42.10	£59.32	£57.41	£76.54
05021	240v	£42.10	£59.32	£57.41	£76.54

3kW Fan Heater

Steel cased portable heater, ideal for workshops or temporary cabins. Features include multiple heat settings and lifting handles for easy mobility.

- Industrial electric fan heater
- Thermostat control with two heat settings
- 2.8kW

Code	Description	1 Day	2 Day	Weekend	Week
0503	110v	£25.92	£36.52	£35.34	£47.11
05031	240v	£25.92	£36.52	£35.34	£47.11

Convactor Heater

- 3 Heat settings
- Free standing or wall mountable
- 2kW
- Thermostatic control for temperature

Code	Description	1 Day	2 Day	Weekend	Week
0519	240v	£8.92	£12.57	£12.16	£16.21

Butane Catalytic Heater

Catalytic heaters produce significantly less Carbon Monoxide emissions than other gas heaters. Despite their small size, Catalytic heaters can still manage powerful output. They are flame-free (except pilot light), making them exceptionally safe.

- Catalytic heater produce virtually no fumes
- Very safe, no naked flames - except pilot light
- 2.9kW
- Manually adjustable gas valve

Code	Description	1 Day	2 Day	Weekend	Week
0500	Butane Catalytic Heater	£30.23	£42.59	£41.22	£54.95

Dustbin Heater

High output versatile clean burning propane heater, which produces a very rapid and even distribution of heat. Does not require electrical power input.

- Very clean burning
- A minimum 19kg Calor gas cylinder required
- Automatic piezo ignition
- Flame failure security
- Superb swirl burner gives compact high conventional heat output varying from 15kW to 25kW
- A 1 bar, maximum outlet pressure
- Flame failure and oxygen depletion device

Code	Description	1 Day	2 Day	Weekend	Week
0504	Dustbin Heater	£29.45	£41.49	£40.15	£53.53

Space Heater

Unbeatably powerful with up to 40% less vibration.

- 8.3 joules of impact energy for a high material removal rate
- Vibration Control ensures more comfortable working, even in time-intensive applications

	Propane	Diesel	Propane
Heat Capacity (BTU)	177000	150000	235000
Heat Capacity (kW)	52	44	69
Weight (kg)	12.5g	28	14.4

Code	Description	1 Day	2 Day	Weekend	Week
0506	Propane 177,000 BTU	£77.71	£109.50	£105.97	£141.29

0508	Propane 235,000 BTU	£99.30	£139.92	£135.41	£180.54

Infra Red Oil Heater

A highly portable Diesel Direct Infra Red radiant heater with an output up to 17kW (58000BTU).

- No air flow required
- Electronic flame control
- Very quiet
- Thermostat control
- Safety photocell cut off
- Tank capacity 11 litres

Code	Description	1 Day	2 Day	Weekend	Week
0509	110v	£106.18	£149.61	£144.78	£193.04

Fume Extractor

These heavy duty portable extraction fans, will remove large quantities of air/fumes from confined spaces.

- Ducting is made of flexible fire retardant material
- 1.5mm high grade steel body
- Aluminium alloy motor housing
- 520W motor
- Air flow 60m³/min

Code	Description	1 Day	2 Day	Weekend	Week
0524	Fume Extractor	£75.56	£106.47	£103.03	£137.37

Portable Air Conditioning Units

This Portable Air Conditioning Unit has an A rated Cooling Efficiency. It is suitable for cooling domestic rooms and offices.

- 3 fan speeds
- 24hr timer
- Dimensions: 825 x 443 x 422 (H x W x Dmm)

	Medium	Large
Heat Capacity (BTU)	14,000	16,000
Cooling Capacity (kW)	4.1	4.6
Approx Cooling Area (m²)	80	90
Weight (kg)	33	37

0520	Large	£99.30	£139.92	£135.41	£180.54

Evaporative Cooler

Standalone unit that does not require exhaust ducting. Ideal for cooling smaller areas such as shops and offices. This unit has to be re-filled with water regularly.

- Air flow 6,000m³/hr
- Not for use in computer server rooms
- LCD display
- Noise level 62dB
- Water flow 7l per hr

Code	Description	1 Day	2 Day	Weekend	Week
03291	110v	£41.02	£57.80	£55.93	£74.57

Air Jammer Cooling Fan

Extremely powerful fan producing a massive volume of air. This large fan is designed to suit a variety of indoor applications.

Code	Description	1 Day	2 Day	Weekend	Week
0522	110v	£59.37	£83.65	£80.95	£107.93
05221	240v	£56.54	£79.67	£77.10	£102.79

High Velocity Fan

A high velocity industrial cooling fan.

- Max air flow of 8,000m³/hr or 5000cfm
- 3 variable speed settings
- Blade size 50cm
- Dims H800 x D280 x W800mm Weight 18kg

Code	Description	1 Day	2 Day	Weekend	Week
0517	High Velocity Fan	£16.04	£22.60	£21.87	£29.15

Dehumidifier

Ideal for drying out buildings after plastering, flooding or leaks. These dryers will draw up to 30ltr of water in 24hrs.

- Ideal solution for low temperature unheated drying applications
- Simplistic easy to operate controls
- High capacity fans
- Compact size allowing easy transportation

	Small	Large
Airflow	170m³/hr	390m³/hr
Drying Capacity	100m³	250m³

Pipe Threader 1/2" - 4"

Powerful 1/2"-4"BSPT professional pipe threader for site and fabrication work.

- Dual speed 22/50rpm
- Automatic oil feed
- Supplied with 2 Automatic die heads + 3 sets of dies
- Pipe cutter and reamer, set of 4 sturdy legs
- Safety foot switch

Code	Description	1 Day	2 Day	Weekend	Week
08101	110v	£124.59	£175.55	£169.89	£226.51

Electric Pipe Threader - Hand Held - 1/2" - 2"

High performance portable power pipe threader 1/2"-2" with many applications, on site threading is possible using the built in pipe clamp. This highly versatile tool is ideal for use in areas of limited access such as tight corners, close to walls or ceilings.

- 15-25rpm threading
- 60rpm geared reverse

Code	Description	1 Day	2 Day	Weekend	Week
0809	110v	£96.05	£135.34	£130.97	£174.62

Manual Ratchet Threader 1/2" - 2"

Hand ratchet threader set made from rigid aluminium construction, with advanced design stocks and dies to allow easy threading in tight spaces.

- Slim, compact design with excellent overall size, ratchet angle of 22.5°
- Simple insertion and removal of die heads perfect centering through the long pipe guide is ensured
- Easy operation in hard-to-reach places with the offset lever. 1/2" - 2"

Code	Description	1 Day	2 Day	Weekend	Week
0808	1/2" - 2"	£48.57	£68.44	£66.23	£88.30

TRAINING

We can offer all of your training requirements including the below plus others.

Contact your local branch for details.

Pipe Bender

- Precision on site pipe bending to 180°
- For Copper and thin walled stainless steel
- Safe and accurate to use
- All formers and guides supplied in storage case

Code	Description	1 Day	2 Day	Weekend	Week
0806	Pipe Bender	£30.23	£42.59	£41.22	£54.95

Pipe Vice & Stand

A professional Pipe Fitters work stand with built-in vice.

- Wide angle folding legs for exceptional stability
- Built in 6" chain vice with quick release and lever tightening action
- Tool tidy tray
- Bending holes for 3/8"-1/2"-3/4" steel pipe

Code	Description	1 Day	2 Day	Weekend	Week
08061	Pipe Vice & Stand	£46.02	£64.84	£62.75	£83.66

Stillsons

This pipe wrench is forged from high quality steel and is suitable for use with copper, aluminium, ferrous and non-ferrous metals. Both jaws have deep grooves ensuring instant grip and ratcheting action.

- Spring loaded for ratchet-like use
- Forged from high quality steel
- Size: 600mm
- Capacity: 76mm

Code	Description	1 Day	2 Day	Weekend	Week
08141	24"	£12.34	£17.39	£16.83	£22.43

Chain Wrench

A heavy duty tongue chain wrench for the most demanding jobs.

- Double sided toothed jaw for ratchet type action
- Tempered steel chain
- Forged handle and jaws
- Quick release action

Code	Description	1 Day	2 Day	Weekend	Week
0815	6"	£14.25	£20.08	£19.43	£25.90

Steel Pipe Cutter

High quality robust cutter for all kinds of steel pipe. Roller ensures cutter is set and kept square to the pipe.

- > Hardened steel cutter wheel and rollers
- > Wide rollers for secure, accurate guiding of pipe
- > Ergonomic T pattern handle
- > Burr-free external cut for immediate thread cutting

Code	Description	1 Day	2 Day	Weekend	Week
0816	1/8" - 2"	£25.92	£36.52	£35.34	£47.11

Drain Camera

Hand held high performance pipe inspection camera system suitable for pipework from 2" up to 4".

- > Hand-held camera module and 16m push rod cable
- > Auto focus colour camera head with built in LED lights & integrated transmitter for precise locating of camera head
- > 25mm Waterproof camera head
- > Roscope unit has flexible "goose neck" camera, self levelling

Code	Description	1 Day	2 Day	Weekend	Week
08041	Drain Camera	£121.36	£171.00	£165.48	£220.64

Cobra Reel

- > Robust, zinc plated steel frame with wheels
- > 11mm diameter cable x 300m length
- > Smooth reel release
- > Easy jet wash clean

Code	Description	1 Day	2 Day	Weekend	Week
0824	11mm x 300m	£111.24	£156.75	£151.69	£202.25

Pipe Freezing Kit

The best way to carry out essential pipe work or maintenance without draining down the entire system. Two ice plugs are created allowing the pipe to be cut. Ideal for copper, iron, lead or plastic cold water pipes from 8-42mm diameter.

- > Freeze Times: 5-45 minutes
- > Power: 550W
- > Span: 3.9m
- > Weight 23kg

Code	Description	1 Day	2 Day	Weekend	Week
0801	110v	£80.18	£112.98	£109.33	£145.77
08011	240v	£80.18	£112.98	£109.33	£145.77

Manual Pressure Tester

Pressure testing pump for conducting hydrostatic pressure tests on water or oil carrying pipework systems and vessels.

- > Steel Duramant® coated or stainless steel construction 12ltr volume
- > Scaling pressure gauge - bar, psi and mpa
- > Scaling pressure gauge 0.1 bar up to maximum pressure of 60 bar
- > 1/2" BSPT connection

Code	Description	1 Day	2 Day	Weekend	Week
0805	Manual Pressure Tester	£42.10	£59.32	£57.41	£76.54

Central Heating Flusher

Effective, easy cleaning for problem heating systems. This unit is designed to be used in conjunction with professional chemical cleaning products for the safe and easy removal of sludge and debris from central heating systems.

- > Rapid removal of system debris
- > High flow rate
- > Reversible dumping facility
- > Instant flow reversal
- > Integral fresh water flush capacity
- > Complete with hoses and fittings
- > Self-priming for ease and safety

Code	Description	1 Day	2 Day	Weekend	Week

STIHL

NEW

PRECISE CUTS. POWERFUL PRUNING. BATTERY POWERED.

APIII
SYSTEM

**PROFESSIONAL PERFORMANCE:
THE HTA 135 CORDLESS POLE PRUNER.**

The latest additions to the STIHL AP System are our most powerful yet. The HTA 135 telescopic pole pruner is perfect for removing dead wood, pruning branches and for cutting back fruit trees in noise sensitive areas. And thanks to its reinforced adjustable telescopic shaft, you'll be able to take on any challenge.

"No matter the height of the job, with the HTA 135 I know I can work safely from the ground and prune with precision in any environment. Plus the quiet motor, low-vibration and light weight of the tool makes it a pleasure to work with."

Petrol Mower

The ideal tool for the seasonal first cut and restoring overgrown lawns. Rotary mowers have adjustable wheels to suit the height of cut. Ideal for large areas, can adjust the height of cut from 30mm to 80mm and has a folding handle for easy transportation.

- 5.5hp Honda engine
- Adjustable cutting height, cutting width 51cm
- Weight: 40kg

Code	Description	1 Day	2 Day	Weekend	Week
0900	Petrol Mower	£42.10	£59.32	£57.41	£76.54

Hollow Tine Aerator Petrol

Lawn Aerator can be fitted with solid spikes or hollow corers; providing maximum flexibility in rejuvenating your lawn.

- Fits through standard garden gates
- "Off-set" crank system uses the power of the engine to punch the tines into the ground
- The tines are positioned 12cm (5") apart and punch at approximately 7½-10cm (3-4") intervals, depending on the speed the machine is travelling

Code	Description	1 Day	2 Day	Weekend	Week
6911	Hollow Tine Aerator Petrol	£89.00	£125.41	£121.36	£161.81

Petrol Brush Cutter

Powerful and versatile, these brush cutters make light work of clearing long grass, weeds and light undergrowth. Perfect for reaching difficult and inaccessible areas.

- Ideal for maintenance of large gardens
- Supplied with operator harness, Autocut mowing head and metal grass cutting blade
- Anti-vibration system
- 2-mix design two stroke engine
- Bike handle handlebar for easy use

Code	Description	1 Day	2 Day	Weekend	Week
0905	Petrol Brush Cutter	£62.61	£88.22	£85.38	£113.83

5hp Rotavator

The easy solution to digging over uncultivated ground and freshening up compacted earth. Its simple controls and folding handle make it easy to operate and transport. Perfect for previously cultivated ground such as garden borders, allotments and vegetable plots.

- Height adjustable handlebars
- Single lever operation
- Full width stainless steel tine guards
- Adjustable digging depth via rear drag bar up to 20cm

Code	Description	1 Day	2 Day	Weekend	Week
0930	5hp Rotavator	£85.27	£120.15	£116.28	£155.03

Petrol Lawn Scarifier

Lawn Scarifier will efficiently rid your lawn of thatch and moss to produce outstanding results.

- Lockable fine height adjustment for precision scarifying
- Floating front axle to follow ground contours and avoid scalping the ground
- Solid rubber tyres means no punctures and a slick tread makes them easy to clean after use
- Heavy duty centrifugal clutch for optimum performance and reliability

Code	Description	1 Day	2 Day	Weekend	Week
0901	Petrol Lawn Scarifier	£85.27	£120.15	£116.28	£155.03

8hp Rotavator

Suited to large areas and more compacted soil. Ideal for preparing even the toughest ground producing a fine tilth for sowing and planting.

- Height adjustable handlebars can also be offset to avoid walking on cultivated ground.
- Single lever operation.
- In good conditions, and after a few passes, it can dig down to a depth of up to 20cm
- Straightforward operation
- Digging width of 52cm (20")

Code	Description	1 Day	2 Day	Weekend	Week
0931	8hp Rotavator	£142.47	£200.75	£194.27	£259.02

Hydraulic Rotavator

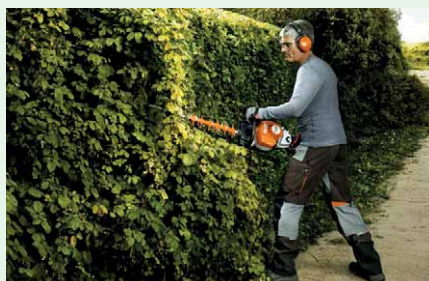

The 9hp rear tine hydraulic rotavator does the job for you whilst you steer. It also benefits from precise speed control to the wheels and tines meaning you can go as fast or slow as you want, making rotavating easy.

- Easy to use finger tip controls
- Safety clutch
- No chains or gears to brake

Code	Description	1 Day	2 Day	Weekend	Week
0932	Hydraulic Rotavator	£193.18	£272.20	£263.42	£351.22

Petrol Hedge Trimmer

Heavy duty professional for landscapers and contractors.

- Lower blade speed for powerful cutting performance
- Anti-vibration system
- Rotating rear handle for easy use at angles
- 2-mix design two stroke engine
- Double sided cutting bar

Code	Description	1 Day	2 Day	Weekend	Week
0916	Petrol Hedge Trimmer	£59.37	£83.65	£80.95	£107.93

Petrol Long Handled Hedge Trimmer

Professional long reach Hedgetrimmer, ideal for landscapers and contractors.

- Well balanced and light
- For tall hedges and working close to the ground
- Anti-vibration system
- Adjustable angle cutting head
- 2-mix design two stroke engine

Code	Description	1 Day	2 Day	Weekend	Week
0914	Petrol Long Handled Hedge Trimmer	£79.16	£111.54	£107.94	£143.91

Petrol Long Reach Pruner

Professional pole pruner for orchard and arborist work

- Lightweight compact transmission with captive nut on sprocket cover
- Anti-vibration system
- Optimised cutting performance
- 4-mix engine with simplified starting

Code	Description	1 Day	2 Day	Weekend	Week

0940	Petrol Blower/Vac	£59.37	£83.65	£80.95	£107.93

Wood Chippers

Forst ST6P

- Chipping capacity 6" (150mm)
- Capable of chipping timber and green waste
- 37HP Fuel efficient petrol engine
- 745 Kg so doesn't require a towing licence

Forst TR6P

- Chipping capacity 6" (150mm)
- Capable of chipping timber and green waste
- 37HP Fuel efficient petrol engine
- High speed tracking

Code	Description	1 Day	2 Day	Weekend	Week
0000	Towable Petrol Chipper	POA	POA	POA	POA
0000	Tracked Petrol Chipper	POA	POA	POA	POA

Portable Petrol Chipper/Shredder

Chipper shredders will reduce most garden waste for composting or easy disposal, Shredders are ideal for breaking down dry brush twigs and garden trimmings. Chippers will reduce branches and small trees into manageable waste.

Code	Description	1 Day	2 Day	Weekend	Week
0917	50mm	£65.42	£92.18	£89.20	£118.93
0919	75mm	£145.71	£205.31	£198.69	£264.91
09191	100mm	£152.65	£215.09	£208.15	£277.53

Mini Stump Grinder

Simple to use and robust, it's ideal for the DIY/home garden market. Small enough to fit in the back of a car and powerful enough to tackle any tree that most home gardeners would fell.

- 6hp Honda engine
- Fold down handles for easy transportation
- Can cut 23cm below ground level

Code	Description	1 Day	2 Day	Weekend	Week
09291	Mini Stump Grinder	£200.43	£282.42	£248.46	£331.28

Stump Grinder

The tough tungsten tipped blade will make quick work of most tree stumps. This carefully balanced tool reduces unwanted stumps to fine chippings, cutting down below the surface.

- 8 Greenteeth® provide a very efficient cut and can be rotated 3 times
- Only 63cm wide, to get through standard garden gates
- Adjustable handlebars
- Simple, straightforward operating controls
- Can grind stumps up to 56cm above and down to 33cm below ground

Code	Description	1 Day	2 Day	Weekend	Week
0929	Stump Grinder	£210.45	£296.54	£273.31	£364.41

Petrol Turf Cutter

The TC07 is a highly effective self-propelled turf cutter that will cut a 30cm (12") wide strip of turf cleanly, quickly and effortlessly.

- Positive drive to rear wheels drives the TC07 forward.
- Easy to adjust cutting depth from 1cm to 3½cm
- Anti-vibration mount on handlebars keeps vibration to a minimum
- Centrifugal clutch ensures machine will not operate whilst engine is idling.

Code	Description	1 Day	2 Day	Weekend	Week
0899	Petrol Turf Cutter	£134.90	£190.09	£183.96	£245.27

Garden Roller

A garden roller for use on existing lawns to reduce inconsistencies in ground level and for re-seeding or laying turf.

- Roller size 50 x 40cm
- Fill with either sand or water
- Heavy duty steel drum roller
- Empty weight 13kgs

Code	Description	1 Day	2 Day	Weekend	Week
0906	Garden Roller	£17.28	£24.35	£23.56	£31.41

2 Man Post Hole Borer

A robust two man auger for drilling post holes.

- High torque engine for drilling work
- Start lock and reverse rotation lock
- Additional stop switch for second operator

Code	Description	1 Day	2 Day	Weekend	Week
0934	Petrol	£164.45	£231.73	£224.25	£299.00

Hydraulic Post Hole Borer

The hydraulically driven hole borer is a one-man operation with a choice of augers. It can drill a hole up to 96cm deep.

- Heavy-duty augers for penetration in difficult ground conditions
- Auger widths: 5cm, 10cm, 15cm, 20cm, 25cm and 30cm
- Folding adjustable handlebar for use in corners or next to walls and fences
- Pivoting auger for use on uneven terrain
- Instant reverse rotation for quick removal from the ground

Code	Description	1 Day	2 Day	Weekend	Week
0933	Hydraulic Post Hole Borer	£164.63	£231.97	£224.49	£299.31

Post Rammer

The Post Rammer is used to knock in fence posts up to 150mm diameter. You simply slide the rammer over the post, then use the two handles to lift and drop the rammer onto the post, to knock it into the ground.

- Maximum post capacity: 150mm
- Tubular steel body with reinforced top
- Steel handles

Code	Description	1 Day	2 Day	Weekend	Week
0937	Post Rammer	£17.28	£24.35	£23.56	£31.41

1 Man Post Hole Borer

Perfect for making holes in loose sub soils or fence post or tree planting. Comes with a 200mm auger.

- All engine controls together for easy operation
- Forged steel drive shaft and connecting rod
- Perfect for making holes in loose sub soils or fence post or tree planting
- Comes with a 200mm auger

Code	Description	1 Day	2 Day	Weekend	Week
0935	1 Man Post Hole Borer	£86.56	£121.97	£118.04	£157.38

Shove Holer

A specialised double handled post hole digger for digging post holes and removing debris. The long handle length makes digging deep holes 50% easier than doing with a spade.

- Industrial strength steel blades.
- Heavy-duty fibreglass handles for durability and weather resistance.
- Handle has special knuckle protector grips.
- Handle length: 1500mm
- Bucket depth: 260mm
- Bucket diameter: 125mm

Code	Description	1 Day	2 Day	Weekend	Week
0938	Shove Holer	£24.84	£35.00	£33.87	£45.16

Manual Post Hole Borer

Suitable for soft ground when planting trees, shrubs or installing small fence posts.

Code	Description	1 Day	2 Day	Weekend	Week
0936	Manual Post Borer	£16.20	£22.83	£22.09	£29.45

Post Puller

The Post Puller removes fence posts, gate posts, bollards and street furniture.

- Removes posts complete with concrete foundations in under one minute
- Claw attachment removes foundation of broken off or rotten posts
- 4000kgf Pulling force
- 600mm maximum diameter of footing removed

Code	Description	1 Day	2 Day	Weekend	Week
0944	Post Puller	£118.93	£167.58	£162.17	£216.22

Soundex Q1/1 Contractors Acoustic Quilt

The Contractor curtain and quilt are excellent for general noise control with a BS EN rated attenuation of 28.2dB. The quilt size corresponds to a 3.5m temporary fence panel, for convenient installation. Patented Velcro side connection enables a seamless noise barrier of greater integrity, and eyelets enable suspension from site fencing, scaffolding and hoardings.

- > Up to 28.2 dB reduction in noise
- > Quick erection and easily transportable
- > Velcro connections to ensure optimum acoustic performance
- > Tested and certified to BS EN ISO 717-1 :1997; BS EN ISO 345 : 2003; EN ISO 11654 : 1997

Code	Description	1 Day	2 Day	Weekend	Week

Soundex Q1/2 Performance Acoustic Curtain

Designed specifically to provide high-absorption acoustic screening around site plant and other high noise emitting activities, their unique Velcro fastening ensures a seamless noise barrier with eyelets on all edges to enable easy suspension.

- > Up to 32.9dB reduction in noise
- > Independently tested and certified
- > Fire resistant
- > Velcro connections to ensure no gaps providing optimum acoustic performance

Fold Away Barrier

The fold away barrier system is designed to be used around manhole repairs, cable laying and other temporary excavations.

- > Compliant with Chapter 8 Streetworks
- > Individual barrier weight: 2 kg
- > Modular design can be assembled as per required configuration
- > Integral locking clamp to aid stability when the barriers are deployed in a straight line
- > Hinged clips enable fast assembly in 3-way or 4-way configurations
- > Made from HDPE

Code	Description	1 Day	2 Day	Weekend	Week
02521	Fold Away Barrier	-	-	-	£23.18

Mobile Barrier

- > Compact - minimum width 550mm
- > Expanding - maximum width 3100mm
- > Links to most other barriers
- > Lightweight at just 10.5kg

Code	Description	1 Day	2 Day	Weekend	Week
02521B	Mobile Barrier	-	-	-	£22.08

Temporary GRP Trench Plate

Versatile safety cover that is exceptionally rigid in construction, yet lightweight. Suitable for trenches up to 700mm wide and must be securely fastened with fixing bolts.

Security Chest

This site store is for the safe storage of valuable power tools, hand tools etc on site. It provides a high level of strength and security whilst offering maximum storage space.

- > Heavy duty construction with 3mm lid
- > 5 Lever deadlocks with anti-drill plates on both sides and anti-cut rollers in deadbolt
- > Extra reinforcing around locks to prevent drilling
- > Welded on serial numbers for overnight key replacements
- > Gas struts to assist with lid opening/closing
- > Continuous heavy duty fully welded hinge

Code	Description	1 Day	2 Day	Weekend	Week
0120	4' x 4' x 2'	-	-	-	£78.50

Flame Vault

- > Ultra-robust 5-lever deadlocks with anti-drill plates on both sides and anti-cut rollers in deadbolt
- > Fully welded and tested sump base to prevent leakage
- > High and low level ventilation to prevent build-up of fumes
- > Flame arrester gauze fitted on all boxes,
- > Relevant hazard warning signs fitted as standard
- > ½ hour fire resistant

Code	Description	1 Day	2 Day	Weekend	Week
01201	Flame Vault	-	-	-	£78.50

Gas Cage

A unique, modular, bolt-together gas cage, designed for the safe storage of gas cylinders.

- > Heavy-duty construction using 25mm box section and 3mm wire mesh
- > Hinged door & padlock facility for security
- > Has the facility for bolting the cages down to the ground
- > Comes with all fixings and relevant signage to comply with regulations on storing gas cylinders
- > Galvanised finish
- > Modular design allows the cage to be erected quickly guard

20L Fuel Can

A heavy-duty all steel jerry can featuring a lockable filler cap fitted with a rubber seal to prevent leaks and evaporation. Cans are painted both internally and externally to inhibit corrosion and are certified to UN standards for the storage of Group II flammable liquids. **NOTE: These cans are not suitable for the storage of drinking water.**

- Tough steel construction
- Painted inside and out to prevent corrosion
- Lockable cap and filler seal
- It is the users responsibility to ensure that the storage and transportation of flammable liquids for domestic and commercial purposes meets all government regulations and legal requirements are fully observed and met.

T004580	300 x 20.0mm

Mortar Raker

Code	Description
T004581	115 x 6 x 22.2mm

Diamond Blade

Noise and vibration reduced. Lasts up to 4 times longer. Ultimate precision and speed. Cuts all building materials.

Code	Description
9594976	115 x 22.2mm
9593784	230 x 22.2mm
9593486	300 x 22.2mm

Diamond Blade

World leader for cutting vitrified porcelain paving slabs up to 3cm. Extremely fast. Precise cut.

Code	Description
5905044	115 x 22.2mm
5905046	230 x 22.2mm
5905047	300 x 20.0mm

Diamond Blade

The ultimate landscaping blade. Outstanding life. Cuts all landscaping materials.

Code	Description
9600720	115 x 22.2mm
9600721	230 x 22.2mm
9600722	300 x 20.0mm

Diamond Blade

Provides an extreme long life against other diamond blades. The blade helps to suppress noise for semi-silent operation. Universal blade - can be used on a variety of materials.

Code	Description

1 INTERPRETATION

1.1 In these conditions the following words have the following meanings: "Consumer" an individual acting for purposes which are wholly or mainly outside that individual's trade, business, craft or profession; "Contract" means a contract which incorporates these conditions and made between the Customer and the Supplier for the hire or sale of Goods; "Customer" means the person, firm, company or other organisation hiring Hire Goods or purchasing Sale Goods; "Deposit" means any advance payment required by the Supplier in relation to the Hire Goods which is to be held as security by the Supplier; "Digital Content" means data which is produced and supplied in digital form; "Force Majeure" means any event outside a party's reasonable control including but not limited to acts of God, war, flood, fire, labour disputes, strikes, sub-contractors, lock-outs, riots, civil commotion, malicious damage, explosion, terrorism, governmental actions and any other similar events; "Goods" means any machine, article, tool, and/or device together with any accessories specified in a Contract which are hired or sold to the Customer; "Hire Goods" means any Goods which are hired to the Customer; "Hire Period" means the period commencing when the Customer holds the Hire Goods on hire (including Saturdays Sundays and Bank Holidays) and ending upon the happening of any of the following events:

- the physical return of the Hire Goods by the Customer into the Supplier's possession; or
 - the physical repossession or collection of Hire Goods by the Supplier;
- "Liability" means liability for any and all damages, claims, proceedings, actions, awards, expenses, costs and any other losses and/or liabilities; "Rental" means the Supplier's charging rate for the hire of the Hire Goods which is current from time to time during the Hire Period; "Sale Goods" means any Goods which are sold to the Customer; "Supplier" means Hirebase, Gemini One, Oxford Business Park South, Cowley, Oxford. OX4 2LL and will include its employees, servants, agents and/or duly authorised representatives; "Services" means the services and/or work (if any) to be performed by the Supplier for the Customer in conjunction with the hire or sale of Goods including any delivery and/or collection service in respect of the Goods.

2 BASIS OF CONTRACT

2.1 Goods are hired or sold subject to them being available for hire or sale to the Customer at the time required by the Customer. The Supplier will not be liable for any loss suffered by the Customer as a result of the Goods being unavailable for hire or sale where the Goods are unavailable due to circumstances beyond the Supplier's control.

2.2 Where hire of the Hire Goods is to a Customer who is an individual, unincorporated entity or a two (2) or three (3) partner business, and the hire would be covered by the Consumer Credit Act 1974, the duration of the Hire Period shall not exceed 3 months, after which time the Contract shall be deemed to have automatically terminated. Accordingly the hire of any Hire Goods is not covered by the Consumer Credit Act 1974. In such circumstances, the Customer shall return the Hire Goods to the Supplier on the final day of the 3 month Hire Period. If the Customer fails to do this then it shall be liable for any financial loss which this causes the Supplier.

2.3 Nothing in this Contract shall exclude or limit any statutory rights of the Customer which may not be excluded or limited due to the Customer acting as a Consumer. Where the Customer is acting as a Consumer any provision which is marked with an asterisk (*) may, subject to determination by the Courts or any applicable legislation, have no force or effect and if any provision is under the applicable law of the Contract unenforceable in whole or in part or shall have no force or effect the Contract shall be deemed not to include such provisions but this shall not effect the enforceability of the remainder of the Contract. For further information about your statutory rights contact your local authority Trading Standards Department or Citizens Advice Bureau or if based in the Republic of Ireland your local office of the Director of Consumer Affairs or Citizens Information Centre.

3 FAULTY GOODS, DIGITAL CONTENT AND/OR SERVICES

3.1 Where the Customer deals as a Consumer, the Supplier is under a legal duty to supply Goods, Digital Content and Services that are in conformity with the contract between the parties. In such circumstances, the Customer has legal rights in relation to Goods and Digital Content that are, for example, faulty or not as described and in relation to Services that are, for example, not carried out with reasonable skill and care, or if the materials used to carry out the Services are faulty or not as described.

3.2 Advice about Customers' legal rights where they deal as a Consumer is available from their local Citizens' Advice Bureau or Trading Standards office. Nothing in these conditions will affect these legal rights.

4 PAYMENT

4.1 The amount of any Deposit, Rental, monies for Sale Goods and/or charges for any Services shall be as quoted to the Customer or otherwise as shown in the Supplier's current price list from time to time. Where a Deposit is required for the Hire Goods it must be paid in advance of the Customer hiring the Hire Goods. The Supplier may also require an initial payment on account of the Rental in advance of the Customer hiring the Hire Goods.

4.2 The Customer shall pay the Deposit, Rental, charges for any Services, monies for any Sale Goods and/or any other sums payable under the Contract to the Supplier at the time and in the manner agreed. The Supplier's prices are, unless otherwise stated, exclusive of any applicable VAT for which the Customer shall additionally be liable.

4.3 Payment by the Customer on time under the Contract is an essential condition of the Contract. Payment shall not be deemed to be made until the Supplier has received either cash or cleared funds in respect of the full amount outstanding.

4.4 *If the Customer fails to make any payment in full on the due date the Supplier may charge the Customer interest (both before and after judgment/decree) on the amount unpaid at the rate implied by law under the Late Payment of Commercial Debts (Interest) Act 1998 (where applicable) or at the rate of 4% above the base rate from time to time of the Supplier's bank whichever is higher.

4.5 *The Customer shall pay all sums due to the Supplier under this Contract without any set-off, deduction, counter-claim and/or any other withholding of monies.

4.6 The Supplier may set a reasonable credit limit for the Customer. The Supplier reserves the right to terminate or suspend the Contract for hire of the Hire Goods and/or the provision of Services if allowing it to continue would result in the Customer exceeding its credit limit or the credit limit is already exceeded.

4.7 The Supplier reserves the right to store the Customer's credit card details on its password protected customer account system and further reserves the right to use such details against future Rentals made by the Customer.

5 RISK, OWNERSHIP AND INSURANCE

5.1 Risk in the Goods will pass immediately to the Customer when they leave the physical possession or control of the Supplier.

5.2 Risk in the Hire Goods will not pass back to the Supplier from the Customer until the Hire Goods are back in the physical possession of the Supplier. This shall apply even if the Supplier has agreed to cease charging the Rental.

5.3 Ownership of the Hire Goods remains at all times with the Supplier. The Customer has no right, title or interest in the Hire Goods except that they are hired to the Customer. Ownership of any Sale Goods remains with the Supplier until all monies payable to the Supplier by the Customer for the Sale Goods have been paid in full.

5.4 Until ownership in the Sale Goods passes to the Customer, the Customer shall:-

5.4.1 hold the Sale Goods on a fiduciary basis as the Supplier's bailee;

5.4.2 maintain the Sale Goods in satisfactory condition; and

5.4.3 keep the Sale Goods insured against all risks for their full price from the time they leave the physical possession or control of the Supplier.

5.5 The Customer must not deal with the ownership or any interest in the Hire Goods. This includes but is not limited to selling, assigning, mortgaging, pledging, charging, securing, hiring, withholding, exerting any right to withhold, disposing of and/or lending. However the Customer may re-hire the Hire Goods to a third party with the prior written consent of the Supplier.

5.6 The Supplier may provide reasonably priced insurance in respect of the Hire Goods at an additional cost to the Rental. Alternatively the Supplier may require the Customer to insure the Hire Goods for such reasonable risks as the Supplier may specify and any proceeds of any such insurance shall be paid to the Supplier on demand. The Customer must not compromise any claim in respect of the Hire Goods and/or any associated insurance without the Supplier's written consent.

6 DELIVERY, COLLECTION AND SERVICES

6.1 It is the responsibility of the Customer to collect the Goods from the Supplier, and, in the case of Hire Goods, return them to the Supplier at the end of the Hire Period. If the Supplier agrees to deliver Goods to and/or collect the Hire Goods from the Customer it will do so at its standard delivery cost and such delivery and/or collection will form part of the Services.

6.2 If the Supplier agrees to collect the Hire Goods from the Customer at the end of the Hire Period the Customer must give the Supplier reasonable notice which shall include at least three (3) working days' notice from the end of the Hire Period. The Customer shall remain responsible and liable for any loss, damage or theft to the Hire Goods until the Hire Goods are collected by the Supplier unless the Supplier fails to collect the Hire Goods within 5 working days of the Customer notifying the Supplier that the Hire Goods are ready for collection whereupon the Supplier shall be liable for any loss, damage or theft thereafter.

6.3 Where the Supplier provides Services the persons performing the Services are servants of the Customer and once the Customer instructs such person they are under the direction and control of the Customer. The Customer shall be solely responsible for any instruction, guidance and/or advice given by the Customer to any such person and for any damage which occurs as a result of such persons following the Customer's instructions, guidance and/or advice except to the extent that the persons performing the Services are found to be negligent by a court with jurisdiction to make such finding pursuant to clause 14.8.

6.4 The Customer will allow and/or procure sufficient access to and from the relevant site and procure sufficient unloading space, facilities, equipment and access to utilities for the Supplier's employees, sub-contractors and/or agents to allow them to carry out the Services. The Customer will ensure that the site where the Services are to be performed is, where necessary, cleared and prepared before the Services are due to commence.

6.5 If any Services are delayed, postponed and/or are cancelled due to the Customer failing to comply with its obligations the Customer will be liable to pay the Supplier's additional standard charges from time to time for such delay, postponement and/or cancellation except where the Customer is acting as a Consumer and the delay is due to a Force Majeure event.

7 CARE OF HIRE GOODS

7.1 The Customer shall:

7.1.1 not remove any labels from and/or interfere with the Hire Goods, their working mechanisms or any other parts of them and shall take reasonable care of the Hire Goods and only use them for their proper purpose in a safe and correct manner in accordance with any operating and/or safety instructions provided or supplied to the Customer;

7.1.2 notify the Supplier immediately after any breakdown, loss and/or damage to the Hire Goods;

7.1.3 take adequate and proper measures to protect the Hire Goods from theft, damage and/or other risks;

7.1.4 notify the Supplier of any change of its address and upon the Supplier's request provide details of the location of the Hire Goods;

7.1.5 permit the Supplier at all reasonable times and upon reasonable notice to inspect the Hire Goods including procuring access to any property where the Hire Goods are situated;

7.1.6 keep the Hire Goods at all times in its possession and control and not to remove the Hire Goods from the country where the Customer is located and/or the country where the Supplier is located without the prior written consent of the Supplier;

7.1.7 be responsible for the conduct and cost of any testing, examinations and/or checks in relation to the Hire Goods required by any legislation, best practice and/or operating instructions except to the extent that the Supplier has agreed to provide them as part of any Services;

7.1.8 not do or omit to do anything which the Customer has been notified will or may be deemed to invalidate any policy of insurance related to the Hire Goods;

7.1.9 not continue to use Hire Goods where they have been damaged and will notify the Supplier immediately if the Hire Goods are involved in an accident resulting in damage to the Hire Goods, other property and/or injury to any person; and

7.1.10 where the Hire Goods require fuel, oil and/or electricity ensure that the proper type and/or voltage is used and that, where appropriate, the Hire Goods are properly installed by a qualified and competent person.

7.1.11 ensure that any employees, agents or contractors that operate the Hire Goods are, if applicable, adequately and sufficiently qualified and trained to operate the Hire Goods in accordance with all current and applicable legislation.

7.2 The Hire Goods must be returned by the Customer in good working order and condition (fair wear and tear excepted) and in a clean condition together with all insurance policies, licences, registration and other documents relating to the Hire Goods.

8 BREAKDOWN

8.1 Allowance may be made in relation to the Rental to the Customer for any non-use of the Hire Goods due to breakdown caused by the development of an inherent fault and/or fair wear and tear on condition that the Customer informs the Supplier as soon as practicable of the breakdown and the Supplier is unable to repair or replace the Hire Goods within a reasonable time.

8.2 The Customer shall be responsible for all expenses, loss (including loss of Rental) and/or damage suffered by the Supplier arising from any breakdown of the Hire Goods due to the Customer's negligence, misdirection and/or misuse of the Hire Goods.

8.3 The Supplier will at its own cost carry out all routine maintenance and repairs to the Hire Goods during the Hire Period and all repairs which are required due to fair wear and tear and/or an inherent fault in the Hire Goods. The Customer will be responsible for the cost of all repairs necessary to Hire Goods during the Hire Period which arise otherwise than as a result of fair wear and tear, an inherent fault and/or the negligence of the Supplier while carrying out routine maintenance and/or repairs.

8.4 The Customer must not repair or attempt to repair the Hire Goods unless authorised to do so in writing by the Supplier.

9 LOSS OR DAMAGE TO THE HIRE GOODS

9.1 If the Hire Goods are returned in damaged, unclean and/or defective state except where due to fair wear and tear and/or an inherent fault in the Hire Goods, the Customer shall be liable to pay the Supplier for the cost of any repair and/or cleaning required to return the Hire Goods to a condition fit for re-hire and to pay the Rental, in accordance with the provisions of clause 8.3, until such repairs and/or cleaning have been completed.

9.2 In respect of any Hire Goods which are lost, stolen or damaged beyond economic repair during the Hire Period the Customer will:-

9.2.1 pay to the Supplier the new replacement cost for any Hire Goods less than twelve (12) months old from first registration; and/or

9.2.2 reimburse the Supplier for any loss or costs suffered or incurred by the Supplier for any Hire Goods more than twelve (12) months old from first registration, less the amount paid to the Supplier under any policy of insurance and/or Deposit in respect of the Hire Goods.

9.3 The Customer shall remain liable to pay the Rental for the Hire Goods up to and including the date it notifies the Supplier that the Hire Goods have been lost, stolen and/or damaged beyond economic repair.

9.4 In addition to the obligation in clause 9.3 to pay the Rental, from the date the Customer notifies the Supplier that the Hire Goods have been lost, stolen and/or damaged beyond economic repair until the date the Customer makes a payment to the Supplier for the replacement of the Hire Goods in accordance with clause 9.2 ("Lost Rental Period"), the Customer shall pay, as a genuine pre-estimate of lost rental profit, a sum as liquidated damages being equal to two thirds of the Rental that would have applied for such Hire Goods during the Lost Rental Period. The Supplier shall use its reasonable commercial endeavours to purchase replacements for such Hire Goods as quickly as possible once it has received payment from the Customer under clause 9.2 above.

10 STATUTORY CANCELLATION RIGHT FOR CONSUMERS

10.1 The provisions of this clause 10 only apply to Customers who are a Consumer for the purpose of any hire or purchase from the Supplier.

10.2 Subject to clauses 10.4 and 10.5, in the case of all Contracts for Sale Goods and those Contracts for Hire Goods where the Hire Period does not have a fixed duration, the Customer shall, in accordance with its rights under the Consumer Contracts

(Information, Cancellation and Additional Charges) Regulations 2013, have the right to cancel the Contract without incurring any charge or Liability within 14 days of the day following the date on which the Goods come into the physical possession of the Customer.

10.3 Where a Customer exercises its right to cancel under clause 10.1 and has made payments in advance for Goods and/or Services that have not been provided to it, then the Supplier will refund these amounts to the Customer:

10.3.1 within 14 days of receipt of the Goods which have been returned by the Customer; or

10.3.2 (if earlier) within 14 days after the day the Customer provides evidence that they have returned the Goods; or

10.3.3 if no Goods have been provided by the Supplier, 14 days after the day on which the Supplier is informed of the Customer's decision to cancel the Contract.

10.4 Where the Customer deals as a Consumer and requests in writing that the Supplier begins provision of the Services within the cancellation period set out in clause 10.1, then the Customer's right to cancel the Contract without incurring any charge or Liability will expire once the Supplier has completed the provision of the Services. If the Customer cancels the Contract once the Supplier has begun to provide the Services it shall be liable for all costs reasonably incurred by the Supplier in providing the Services up to the point the Supplier is informed of the Customer's decision to cancel the Contract.

10.5 Where the Contract is with a Consumer and:

10.5.1 is for the supply of accommodation, transport of goods, vehicle rental services, catering or services related to leisure activities; and

10.5.2 provides for a specific date or period of performance, the Consumer will not have a right to cancel the Contract without incurring any charge or Liability to the Supplier. 10.6 Where a Customer cancels the Contract under this clause 10, it shall return any Goods which the Supplier has provided to it at its own cost, unless otherwise expressly agreed in writing.

11 TERMINATION BY NOTICE

11.1 If the Hire Period has a fixed duration, then subject to the provisions of clause 12 neither the Customer nor the Supplier shall be entitled to terminate the Contract before the expiry of that fixed period unless agreed with the other party.

11.2 If the Hire Period does not have a fixed duration either of the Customer or the Supplier is entitled to terminate the Contract upon giving to the other party any agreed period of notice.

11.3 If no period of notice has been agreed or specified the Customer may terminate the Hire Period by the physical return of the Hire Goods to the Supplier.

11.4 If no period of notice has been agreed or specified either party shall be entitled to terminate the hire of the Hire Goods by giving not less than 14 days' notice to the other.

11.5 The rights set out in this clause 11 are in addition to any rights the Customer may have under clause 10 (and any other legal rights).

12 DEFAULT

12.1 If the Customer:-

12.1.1 fails to make any payment to the Supplier when due without just cause;

12.1.2 breaches the terms of the Contract and, where the breach is capable of remedy, has not remedied the breach within 14 days of receiving notice requiring the breach to be remedied;

12.1.3 persistently breaches the terms of the Contract;

12.1.4 provides incomplete, materially inaccurate or misleading facts and/or information in connection with the Contract;

12.1.5 pledges, charges or creates any form of security over any Hire Goods or proposes to compound with its creditors, creates a trust deed for its creditors, applies for an interim moratorium in respect of claims and/or proceedings, any distress/diligence, execution or other legal process is levied on any property of the Customer, has a bankruptcy petition/petition for sequestration presented against it or the Customer takes or suffers any similar action in any jurisdiction;

12.1.6 being a company, ceases or threatens to cease to carry on business, enters into voluntary or compulsory liquidation, has a receiver, administrator or administrative receiver or in the Republic of Ireland an examiner appointed over all or any of its assets, any attachment order/arrestment is made against the Customer, any distress/diligence, execution or other legal process is levied on any property of the Customer or the Customer takes or suffers any similar action in any jurisdiction;

12.1.7 appears to the Supplier (acting reasonably) due to the Customer's credit rating to be financially incapable of meeting its obligations under the Contract; and/or

12.1.8 appears to the Supplier (acting reasonably) to be about to suffer any of the above events; then the Supplier shall have the right, without prejudice to any other remedies, to exercise any or all of the rights set out in clause 12.2 below.

12.2 If any of the events set out in clause 12.1 above occurs in relation to the Customer then:-

12.2.1 except where the Customer is acting as a Consumer the Supplier may enter, without prior notice,

any premises of the Customer (or premises of third parties with their consent) where Goods owned by the Supplier may be and repossess any Goods;

12.2.2 the Supplier may withhold the performance of any Services and cease any Services in progress under this and/or any other Contract with the Customer;

12.2.3 the Supplier may immediately cancel, terminate and/or suspend without Liability to the Customer the Contract and/or any other contract with the Customer; and/or

12.2.4 all monies owed by the Customer to the Supplier shall immediately become due and payable.

12.3 Any repossession of the Goods shall not affect the Supplier's right to recover from the Customer any monies due under the Contract and/or any damages in respect of any breach which occurred prior to repossession of the Goods.

12.4 Upon termination of the Contract the Customer shall immediately:-

12.4.1 return the Goods to the Supplier or, as requested by the Supplier, make the Goods available for collection by the Supplier or its authorised representatives (the Customer granting or procuring for the Supplier or its authorised representative the right to enter the site without trespass); and

12.4.2 pay to the Supplier all arrears for Rentals, Charges for any Services, monies for any Sale Goods and/or any other sums payable under the Contract including, but not limited to, the cost of returning the Goods.

13 LIMITATIONS OF LIABILITY

13.1 All warranties, representations, terms, conditions and duties implied by law relating to fitness, quality and/or adequacy are excluded to the fullest extent permitted by law.

13.2 If the Supplier is found to be liable in respect of any loss or damage to the Customer's property the extent of the Supplier's Liability will be limited to the retail cost of replacement of the damaged property.

13.3 Any defective Goods must be returned to the Supplier for inspection if requested by the Supplier before the Supplier will have any Liability for defective Goods.

13.4 The Supplier shall have no Liability to the Customer if, without just cause, any monies due in respect of the Goods and/or the Services have not been paid in full by the due date for payment.

13.5 The Supplier shall have no Liability for additional damage, loss, liability, claims, costs or expenses caused or contributed to by the Customer's continued use of defective Goods and/or Services after a defect has become apparent or suspected or should reasonably have become apparent to the Customer.

13.6 The Customer shall give the Supplier a reasonable opportunity to remedy any matter for which the Supplier is liable before the Customer incurs any costs and/or expenses in remedying the matter itself. If the Customer does not do so the Supplier shall have no Liability to the Customer.

13.7 The Supplier shall have no Liability to the Customer to the extent that the Customer is covered by any policy of insurance arranged as a result of the Contract and the Customer shall ensure that the Customer's insurers waive any and all rights of subrogation they may have against the Supplier.

13.8 The Supplier shall have no Liability to the Customer for any of the following losses (whether direct or indirect):-

13.8.1 consequential losses (including loss of profits and/or damage to goodwill);

13.8.2 economic and/or other similar losses;

13.8.3 special damages and indirect losses; and/or

13.8.4 business interruption, loss of business, contracts and/or opportunity.

13.9 The Supplier's total Liability to the Customer under and/or arising in relation to any Contract shall not exceed 5 times the amount of the Rental or monies payable for Sale Goods, in addition to charges for Services (if any) under that Contract or the sum of £1,000 (or Euro equivalent) whichever is the higher. To the extent that any Liability of the Supplier to the Customer would be met by any insurance of the Supplier then the Liability of the Supplier shall be extended to the extent that such Liability is met by such insurance.

13.10 Each of the limitations and/or exclusions in this Contract shall be deemed to be repeated and apply as a separate provision for each of:-

13.10.1 Liability for breach of contract;

13.10.2 Liability in tort/delict (including negligence); and

13.10.3 Liability for breach of statutory and/or common law duty; except clause 13.9 above which shall apply only in respect of all the said types of Liability.

13.11 Nothing in this Contract shall exclude or limit the Liability of the Supplier for fraud, death or personal injury due to the Supplier's negligence, nor exclude or limit any other type of Liability which it is not permitted to exclude or limit as a matter of law.

14 GENERAL

14.1 Upon termination of the Contract the provisions of clauses 4.2, 4.4, 4.5, 7, 8, 9.1, 9.3 and shall continue in full force and effect.

14.2 Each hire of an item of Hire Goods shall form a distinct Contract which shall be separate to any other Contract relating to other Hire Goods.

14.3 The Customer shall be liable for the acts and/or omissions of its employees, agents, servants and/or subcontractors as though they were its own acts and/or omissions under this Contract.

14.4 When dealing as a Consumer, if the Customer has any questions or complaints it may contact the Supplier by telephoning its customer service team on 01865 871700 or by e-mail at mel.clarkson@hirebase.co.uk

14.5 The Customer agrees to indemnify and keep indemnified the Supplier against any and all losses, lost profits, damages, claims, costs (including legal costs on a full indemnity basis), actions and any other losses and/or liabilities suffered by the Supplier and arising from or due to any breach of contract, any tortious/delictual act and/or omission and/or any breach of statutory duty by the Customer.

14.6 No waiver by the Supplier of any breach of this Contract shall be considered as a waiver of any subsequent breach of the same provision or any other provision. If any provision is held by any competent authority to be unenforceable in whole or in part the validity of the other provisions of this Contract and the remainder of the affected provision shall be unaffected and shall remain in full force and effect.

14.7 The Supplier shall have no Liability to the Customer for any delay and/or non-performance of a Contract to the extent that such delay is due to any Force Majeure events. If the Supplier is affected by any such event then time for performance shall be extended for a period equal to the period that such event or events delayed such performance.

14.8 All third party rights are excluded and no third parties shall have any rights to enforce the Contract by virtue of the Contracts (Rights of Third Parties) Act 1999. This shall not apply to any finance company with whom the Supplier has an outstanding finance agreement relating to the Hire Goods. Such finance company shall, subject to the Supplier's consent, have the right to enforce this Contract as if they were the Supplier.

14.9 This Contract is governed by and interpreted in accordance with the law of the country where the Supplier is located and that country will have exclusive jurisdiction in relation to this Contract.
